Dear Colleagues:

We are pleased to provide you with the Collective Agreement between the University of British Columbia and the Faculty Association for the period July 1, 2012 to June 30, 2014.

This Collective Agreement replaces the Collective Agreement for the period July 1, 2010 to June 30, 2012.

The Collective Agreement defines rights of members and is essential reading for members of the Faculty Association and administrators alike in such critical activities as consideration for promotion and tenure, collective bargaining between the Association and the University, and the proper conduct of grievances.

The Collective Agreement should be read in conjunction with other documents including:

1. the UBC Policy Handbook, available online at www.universitycounsel.ubc.ca/policies/index.html, and
2. publications from Human Resources that provide details about benefits, available on-line at www.hr.ubc.ca.

PART 1: FRAMEWORK FOR COLLECTIVE BARGAINING

THE UNIVERSITY OF BRITISH COLUMBIA and the FACULTY ASSOCIATION OF THE UNIVERSITY OF BRITISH COLUMBIA

DESIRING to promote fair and proper economic conditions and terms of appointment for Faculty Members, Librarians, and Program Directors at The University of British Columbia;

RECOGNIZING that the University is a community of scholars whose essential functions are the pursuit and dissemination of knowledge and understanding through research and teaching and that academic freedom is essential to carrying out these functions;

BEING DETERMINED not to interfere with that academic freedom;

CONFIRM THAT the members of the University enjoy certain rights and privileges essential to the fulfillment of its primary functions: instruction and the pursuit of knowledge. Central among these rights is the freedom, within the law, to pursue what seems to them as fruitful avenues of inquiry, to teach and to learn unhindered by external or non-academic constraints, to engage in full and unrestricted consideration of any opinion. This freedom extends not only to the regular members of the University but to all who are invited to participate in its forum. Suppression of this freedom, whether by institutions of the state, the officers of the University or the actions of private individuals, would prevent the University from carrying out its primary functions. All members of the University must recognize this fundamental principle and must share responsibility for supporting, safeguarding and preserving this central freedom. Behaviour which obstructs free and full discussion, not only of ideas which are safe and accepted but of those which may be unpopular or even abhorrent, vitally threatens the integrity of the University's forum. Such behaviour cannot be tolerated;

AND HAVE AGREED AS FOLLOWS:

- b) A person shall not cease to be a member of the bargaining unit if his/her employment by the University is changed from full-time (tenured or confirmed appointment) to part-time (tenured or confirmed appointment).
- 2.02 The Parties may from time to time agree to include additional persons in, or exclude persons from, the bargaining unit (see List of Exclusions in Appendix A).¹

Article 3. Bargaining Agent

- 3.01 The University recognizes the Association as the sole collective bargaining agent for all members of the bargaining unit. Further, it is recognized by the Parties that the ratification of the document (letter dated November 10, 1999, from Vice President Academic and Provost to the President of the Association) by the Parties had the effect of voluntarily recognizing the Faculty Association under the Labour Relations Code.

Article 4. No Discrimination

- 4.01 There shall be no discrimination regarding any term or condition of employment by reason of sex, sexual orientation, age, race, colour, ancestry, place of origin, political belief, religion, marital status, family status, physical or mental disability (provided that such condition does not interfere with the ability to carry out the essential duties of the position), or membership or non-membership in, or activities on behalf of, the Association. - 4.02 In keeping with the requirements of the Federal Contractors Program, to which the University is committed, the University and the Association agree to the principle of employment equity for all groups as may be designated in Federal and Provincial legislation, or as agreed to by the Parties. This principle ensures opportunities in hiring, promotion and tenure for members in designated groups and ensures no systematic barriers exist to the full participation of these groups in the workplace.

Article 5. Recognition of Representatives

5.01 The University shall recognize the President of the Association and members of the Executive, or persons designated by the Executive, for the purpose of relations between the University and the Association arising out of this Agreement.

Article 6. Check-Off of Association Dues and Membership Information

6.01 The University shall make it a condition of employment of members of the bargaining unit that each such member shall pay either to the Association or to a recipient agreed upon annually by the University and the Association an amount equal to the membership dues in the Association fixed annually in accordance with its Constitution.

6.02 The University shall honour a written assignment of salary of a member of the bargaining unit except where the assignment is revoked by the assignor.

6.03 The assignment pursuant to Article 6.02 shall be substantially in the following form:
“To The University of British Columbia: Until this assignment is revoked by me in writing I hereby authorize you to deduct from my salary a sum equal to the membership dues in the Faculty Association fixed annually in accordance with its Constitution, and to pay that sum to the Faculty Association or to a recipient agreed upon by the University and the Association.”

6.04 The University shall deduct from the salary of each member of the bargaining unit, from each pay cheque, the amount specified in Article 6.01 above and, subject to Article 6.05 below, shall within one (1) month forward to the Association the total amount of dues collected together with a list of members of the bargaining unit from whom deductions were made in that month.

6.05 Where a member of the bargaining unit objects to membership in the Association and directs the University not to pay to the Association the amount equal to the membership dues that have been deducted from his/her salary in accordance with Article 6.04 above, such amount shall be paid to the recipient specified in Article 6.01 above.

6.06 The University shall carry out its obligations under Articles 6.01 and 6.04 above to the extent that it has the lawful right to do so.

6.07 Recognizing the rights of members of the bargaining unit to protection of privacy and access to personal information, the University and the Association agree:

- a) the University shall provide the Association with a list of members and basic employment information in an electronic form on a monthly basis (the FACSNAF report). The Association will use this information in a manner consistent with its duties under the *Labour Relations Code*, and its responsibilities under the *Personal Information Protection Act*.

Article 7 Personnel Files

- 7.01 The personnel file for a Faculty Member is comprised of confidential files residing in the offices of the Head, the Dean and Faculty Relations or Human Resources, any of which may be used in decisions regarding terms and conditions of employment of the member.
- 7.02 The personnel file of each member shall contain only material pertaining to the member's employment and may include, but shall not be limited to, the member's curriculum vitae, offer letters, teaching evaluations, letters of reference and appraisal, compensation and work history, disciplinary material, recommendations and decisions about reappointment, tenure, or confirmation, promotion or continuing status, and letters concerning personnel decisions involving the member.
- Any files created for purposes of a reappointment, tenure or promotion review shall be deemed to be part of the personnel file.
- 7.03 Anonymous or unsolicited complaints or concerns, other than student evaluations of teaching, will not form part of the personnel file unless they have given rise to investigation and/or verification.
- 7.04 The University shall endeavour to inform the member within sixty (60) days of any negative material which is added to the member's file outside a formal review process and without the knowledge of the member.
- 7.05 A member shall have the right, during normal business hours and upon reasonable notice, to view all of the material in his/her own file, other than confidential letters of appraisal and reference, at a mutually convenient time. This review must be carried out in the presence of a person designated by Faculty Relations or Human Resources. Members shall be required to provide identification before access to the personnel file is granted.
- 7.06 The member shall not remove the file nor its contents from the office but may, on written request, receive a copy of any document in the personnel file, with the exception of confidential letters of reference and appraisal.
- 7.07 The member shall have the right to have included in his/her file any written comments on the accuracy, relevance, meaning or completeness of any of the contents of the file.

Part B – Collective Bargaining

Article 8. Duty to Bargain in Good Faith

8.01 The Parties shall bargain in good faith and shall make every reasonable effort to conclude a renewal of the Collective Agreement.

Article 9. Procedures for Collective Bargaining

9.01 a) A Party may, by written notice given no earlier than January 1 and no later than March 1 prior to the expiry date of the Collective Agreement, call upon the other Party to enter into collective bargaining.

b) If notice is given pursuant to Article 9.01(a), collective bargaining shall commence on or after March 1 in the final year of the term of the Collective Agreement.

9.02 When the Association authorizes the members of an academic unit to bargain for a Subsidiary Agreement, it shall notify the University of such authorization and of its scope no later than October 15th of the year preceding the expiry date of the Collective Agreement. A copy of an authorization signed by the President of the Association shall be sufficient evidence of the authority of the members of an academic unit to enter collective bargaining for a Subsidiary Agreement.

9.03 Where authorization has been made for the negotiation of a Subsidiary Agreement in accordance with Article 9.02 above the Parties shall first bargain these agreements, beginning no earlier than January 1st in an effort to conclude agreements by March 31st or such other dates as agreed by the Parties. A Subsidiary Agreement shall not contain a provision for collective bargaining to change any part of the Subsidiary or overall Collective Agreement during the term of the Collective Agreement.

The Parties then shall bargain collectively to conclude a Collective Agreement including:

a) any matters affecting only a Subsidiary if applicable; and

b) those parts of the Collective Agreement applicable to all members of the bargaining unit including the term of the Agreement.

9.04 a) The negotiations under this Article shall not be concluded until the University has been officially notified of the operating grant allocated to it by the Province of British Columbia.

b) If agreement has not been reached on the Collective Agreement within six (6) weeks of the receipt by the University of official notification of the operating grant allocated to it, or another date agreed to by the Parties, the matters in dispute shall be submitted to arbitration in accordance with Article 11.

9.05 Joint Consultation

- a) The parties agree to establish a consultation committee, which shall meet regularly in accordance with Section 53 of the *Labour Relations Code*.
- b) On the request of either party, the parties must meet at least once every 2 months until this Agreement is terminated, for the purpose of discussing issues relating to the workplace that affect the parties or any employee bound by this Agreement.

Article 10. Request for Funds

10.01 The University agrees to use its best efforts to obtain the funds needed to meet its obligations incurred in accordance with this Agreement.

Article 11. Arbitration (Interest)

- 11.01 a) The members of the Arbitration Board to act under Article 21 below shall be chosen by agreement of the Parties from the panel established pursuant to Article 21.10 below, provided that if one or more of the persons so selected from the panel cannot serve, the Parties shall agree to appoint to the Board a person or persons who are not on the panel. If the Parties are unable to agree on the members of the Board within fourteen (14) days of the commencement of meetings to choose them, either Party may request the Chair of the Labour Relations Board for the Province of British Columbia to make the necessary appointment or appointments to complete the membership of the Board. The chair of the Board shall be chosen from among its three members by agreement of the Parties, provided that if the Parties are unable to agree on a chair within one (1) week of the appointment of the three members of the Board, they shall request the said Director to appoint the chair.
- b) No person shall serve as a member of the Arbitration Board who is or has recently been a Faculty Member or other employee of the University.
 - c) No member of the Arbitration Board shall act as an advocate of either Party.
- 11.02a) The Arbitration Board shall take office within one (1) week of its having been constituted.
- b) The Parties shall submit to the Arbitration Board the items on which agreement has not been reached.
 - c) The Arbitration Board shall hold one or more hearings with the Parties in order to give them the opportunity to make such written and oral representations as they desire.
 - d) The Arbitration Board shall complete the hearings with the Parties within twenty (20) days of taking office and shall deliver an award within fourteen (14) days of the completion of the hearings.

- e) In making its award, the Arbitration Board shall give first consideration to the University's ability to pay the cost of an award from its general purpose operating funds. In doing so, with due regard to the primacy of the University's academic purpose and the central role of Faculty Members, Librarians and Program Directors in achieving it, the Arbitration Board shall take account of the University's need to preserve a reasonable balance between the salary of members of the bargaining unit and other expenditures. If the Arbitration Board is satisfied that the University has the ability to pay the cost of an award, it shall base its award on the following criteria:
 - i) the need for the University to maintain its academic quality by retaining and attracting Faculty Members, Librarians, and Program Directors of the highest caliber;
 - ii) changes in the Vancouver and Canadian Consumer Price Indices;
 - iii) changes in British Columbian and Canadian Average Salaries and Wages; and
 - iv) salaries and benefits at other Canadian universities of comparable academic quality and size.
- f) The Arbitration Board shall use its best efforts to achieve a unanimous award.
- g) Subject to the above provisions, the provisions in Article 21.11 apply to arbitration under Article 11.

11.03 The award of the Arbitration Board whether it be unanimous or by a majority shall be final and binding on both Parties.

11.04 The expenses of the arbitration shall be borne equally by the University and the Association, provided that where arbitration is initiated by the members of an academic unit in accordance with Article 9 and the Association does not take part in the proceedings, the expenses shall be borne by the University and the members of the academic unit concerned.

Article 12. Prohibition of Strikes and Lockouts

12.01 For the purpose of this Article:

“Strike” includes a cessation of work, or a refusal to work, or a refusal to continue to work, or an act or omission that is intended to, or does, restrict or limit services by members of the bargaining unit in combination or in concert, or in accordance with a common understanding;

“Lockout” includes the closing of the University or of any of its facilities, a suspension of the work of members of the bargaining unit, or a refusal to continue to employ a number of members of the bargaining unit.

- 12.02 The Association shall not declare, authorize, ratify, or in any way participate in a strike of members of the bargaining unit while the Collective Agreement continues to operate, and no member of the bargaining unit shall strike during the period.
- 12.03 The University shall not lock out members of the bargaining unit while the Collective Agreement continues to operate.
- 12.04 There will be no disciplinary action against any member who, as a matter of conscience, chooses not to cross a picket line at the workplace when that picket line has been established pursuant to a labour dispute.

PART C – Rights and Practices

Article 13. Notification of Workload

13.01 Preamble

- a) The academic workload of a faculty member is a combination of self-directed and assigned tasks undertaken in fulfillment of his/her academic responsibilities in the areas of teaching, scholarly activity and service to the University and the community.
- b) Academic units vary in their contributions to the University. As such, it is understood that what constitutes normal workload will vary from one unit to another.

13.02 Principles Governing the Assignment of Workload

The University is committed to:

- a) a reasonable and equitable distribution of workload for faculty;
- b) a transparent process of workload allocation within a unit, which has decisions being made in accordance with criteria that are communicated to members within that unit;
- c) flexibility in workload allocation that reflects the University's obligations and the unique missions of units, and is consistent with the type of appointment held by faculty members;
- d) a general approach to workload allocation that has been developed taking into consideration the operational requirements of the University and the unit and the input of members of the unit;
- e) workload allocation that takes into consideration the comprehensive nature of the scope of activities and expectations appropriate to the faculty member's appointment, including approved participation in programs outside the unit.

13.03 Unit Workload

- a) The Head of each academic unit shall notify members annually of the unit's general approach to workload.

- b) The normal workload within units shall be consistent with the operating obligations of the unit, the Faculty and the University.
- c) Prior to finalizing workloads, the Head shall offer the opportunity for members of the unit to provide their views and relevant information pertaining to workloads.
- d) The Head shall assign workload to members in accordance with the principles governing the assignment of workload (Article 13.02), the unit's general approach to workload, and other factors relevant to the individual member.

Article 14. Non-Interference with Rights under Agreement

14.01 The University shall not impose any condition upon the appointment of a Faculty Member or member of the bargaining unit that would restrain that person from exercising rights under the Collective Agreement or any Subsidiary Agreement.

Article 15. Allocation of Discretionary Funds

15.01 The limitations on the right of the University to bargain separately with individual members of the bargaining unit imposed by the Collective Agreement shall not be interpreted as placing any restriction on the discretion of the University to allocate funds placed at its disposal, as a result of the Collective Agreement, for dealing with inequities and anomalies in salaries of members of the bargaining unit.

15.02 If collective bargaining for the year has been concluded and no provision has been made for a salary increase, the University may nevertheless allocate funds for dealing with inequities and anomalies to an amount not exceeding 0.15% of the salaries of those who were members of the bargaining unit on June 30 of the preceding academic year and who continued to be such members on July 1 immediately following.

15.03 Prior to allocating funds provided for in Article 15.02 above, the President shall inform the President of the Faculty Association in confidence of the name of the intended recipient, the increase to be received, and of the rationale for it.

Article 16. Preservation of the Traditional Role of the Association

16.01 Nothing in the Collective Agreement shall be interpreted as restricting the role of the Association in representing the interests of its members at the University. The University recognizes that this role traditionally has extended, and will continue to extend, beyond the matters to which the Collective Agreement relates.

16.02 The University shall reduce the teaching load of the President of the Association by fifty (50) per cent or the equivalent thereof during his or her term of office without any reduction in salary or benefits.

16.03 In applying the criteria for reappointment, appointment without term, promotion, and salary increases and similar benefits, the contribution made by the President of the Association

and members of the Executive to the Association shall be considered to be service to the University.

Article 17. Preservation of Past Rights and Practices

17.01 Subject to the Collective Agreement or any amendments thereto the University agrees not to change rights of or practices relating to Faculty Members or members of the bargaining unit that traditionally have been the subject of consultation and discussion without appropriate consultation and discussion at the Departmental, Faculty or University level.

Article 18. Liability Insurance

18.01 The University shall provide insurance coverage in respect of the liability of members acting within the scope of their normal course of employment, to the extent provided by the University, College and Institute Protection Program (UCIPP) policies.

18.02 A copy of the policies of insurance, as amended from time to time, shall be provided to the Association.

18.03 Responsibility for the management of any claim covered by the University's insurance policies rests solely with the Insurer.

Article 19. Retirement

19.01 The normal retirement date at UBC is the June 30th or December 31st following the date upon which the member turns 65 (the "Normal Retirement Date").

19.02 A member may retire on or prior to the Normal Retirement Date in accordance with the provisions in Article 20.04.

19.03 A member who decides to work beyond the Normal Retirement Date is required to perform the full scope of duties and responsibilities, except as provided for in the Letter of Understanding on Retirement Options.

19.04 Except as provided in the Letter of Understanding #2 on Retirement Options, a member shall give notice of retirement well in advance, which will normally be twelve months and preferably eighteen months before retirement.

- d) If the grievance is not resolved, the Provost shall provide a written response to the grievance within fourteen (14) days after the meeting.
- e) If the Association decides to carry forward the grievance, it shall, within twenty-one (21) days of receiving the University's response, notify the Provost in writing that it intends to proceed to Arbitration under Article 21.08.

- d) If the grievance is not resolved, the Association shall provide a written response to the grievance within fourteen (14) days after the meeting;
- e) If the University decides to carry forward the grievance, it shall, within twenty-one (21) days of receiving the Association's response, notify the President of the Association in writing that it intends to proceed to Arbitration under Article 21.08.

20.07 Policy Grievance

- a) A policy grievance is defined as a difference arising between the University and the Faculty Association involving a general question of application, interpretation or alleged violation of a specified provision or provisions of this Agreement. A policy grievance shall be signed by the Provost or the President of the Association and submitted to the other party within twenty-eight (28) days after the occurrence of the matter that is the subject of the grievance.
- b) The Grieving Party in its written grievance must clearly and fully state the nature and basis of the grievance. The parties will meet to discuss the issues in dispute. If the grievance is not resolved, the Provost or the President of the Association (or designate) shall provide a written response within twenty-one (21) days after the meeting. If no agreement is reached to resolve the grievance, the grieving party may notify the other party in writing within a period of twenty-one (21) days of delivery of the response that it intends to proceed to arbitration pursuant to Article 21.08.

20.09 Arbitration Board

- a) When the Grieving Party has requested that a grievance be submitted to arbitration, it shall indicate to the other party within seven (7) days its intention to submit the matter in dispute to a single arbitrator to be agreed upon by both parties.
- b) Should either party not agree to submit the dispute to a single arbitrator, both parties shall then have seven (7) days to name their appointee to a three-person Board of Arbitration. The two appointees shall then meet as soon as possible to select an impartial chair.
- c) If the parties fail to agree on a single arbitrator, either party fails to appoint its arbitrator to the three-person board, or the two appointees fail to agree upon a chair of the three-person board within seven days of their appointment, the Chair of the Labour Relations Board for the Province of British Columbia shall make the appointment.

20.10 Parties

- a) The parties to an arbitration shall be the University and the Association unless the Arbitration Board adds another party.

20.11 Board Procedures

- a) Not less than thirty (30) days before the arbitration hearing is scheduled to commence, the Parties shall exchange complete particulars of their respective cases, including the production of documents, names of witnesses, and summaries of their expected testimony if available.
- b) Not less than ten (10) days before the hearing is scheduled to commence each Party shall provide to the other:
 - i. the documents to be introduced in evidence;
 - ii. a list of witnesses and a summary of their expected testimony.
- c) The Arbitration Board has the discretion, on such terms as it sees fit, to admit evidence or hear testimony not exchanged under (a) or (b).

RE: Exclusion of New Position(s) from Faculty Bargaining Unit

Pursuant to Article 2 of Part 1: *Framework for Collective Bargaining*, the Parties agree the Office of Faculty Relations of the University will endeavour to provide the Faculty Association with timely notice where the University intends to create a new position that it proposes will be excluded from the Bargaining Unit represented by the Faculty Association. LETTER OF UNDERSTANDING #2
BETWEEN
THE UNIVERSITY OF BRITISH COLUMBIA
AND
THE FACULTY ASSOCIATION OF
THE UNIVERSITY OF BRITISH COLUMBIA

Re: Retirement Options

1. Processes to Support Retirement
 - 1.01 Part 8: *Agreement on Reduced Appointments* remains unchanged, except as modified by this Letter of Understanding.
 - 1.02 The University will supplement current retirement counselling with:
 - a) Retirement workshops for members who are at least 60 years old, and their spouses; and
 - b) Individual counselling with a University-approved financial consultant, up to a maximum of \$750.
2. Retirement Options: Phased-in retirement Appointment, Part-time Appointment or Reduced-Scope Appointment
 - 2.01 In addition to continuing to work full-time, requesting a reduced appointment in accordance with Part 8: *Reduced Appointments* or giving notice of retirement in accordance with the provisions of Article 20.04 of Part 1: *Framework for Collective Bargaining*, tenured or confirmed faculty, librarians, program directors and full-time 12-month lecturers who have reached the age of 60 and have 10 years of full-time continuous service may elect to participate in one of three retirement options: (1) phased-in retirement; (2) part-time appointment; or (3) reduced-scope appointment.
 - 2.02 The purpose of the Retirement Options is to balance the desire of members to continue to be productive in more flexible employment arrangements with the University's need for certainty in academic planning, all the while maintaining cost neutrality.
 - 2.03 The Retirement Options have been implemented as a pilot project. The pilot was initially for a period of two years, commencing May 15, 2007, and is hereby renewed for a further period of two years, to June 30, 2014. Beginning January, 2014 the parties agree to annually review the results of the pilot in light of its purpose and reach a resolution on any future options.

2.04 Members who participate in a Retirement Option are entitled to salary, benefits and pension in the same manner as provided for in the Agreement on Reduced Appointments, as modified by this Letter of Understanding, and are eligible, in accordance with provisions of the Agreement on Salaries and Economic Benefits, to be considered for Career Progress Increments (CPI), Merit Awards and Performance Salary Adjustment (PSA), as provided for in the Agreement on Reduced Appointments.

2.05 Where a member takes a Retirement Option, eligibility for study leave is as follows:

- a) There will be no further accrual of service towards study leave eligibility once notice to enter into a Retirement Option has been given;
- b) Where a member may be eligible for a study leave, it must be planned before entering into a Retirement Option and completed within the time of the option;
- c) There must be the equivalent of at least one year of full-time service between the end of the study leave and retirement; and
- d) Salary paid during the study leave will be as provided for in the Agreement on Reduced Appointments.

2.06 Option 1: Phased-in Retirement

- a) A member may elect to take a phased-in retirement. The Phased-in Retirement Option is for a maximum of four years in total, at the election of the member (i.e. the notice period, plus the phased-in retirement).
- b) A member who elects to take the Phased-in Retirement Option must continue to perform the full scope of duties, which will be reduced in percentage of time in each of three years.
- c) The member must give advance notice of his/her intention to elect this option (the "notice period"). Eighteen months' notice is preferred, but a minimum of twelve months is required, which may be waived by mutual agreement of the member and the Head.
- d) Notice by a member to enter into this option constitutes irrevocable notice to retire.
- e) Salary during a Phased-in Retirement Appointment is commensurate with percentage of workload performed.
- f) During a Phased-in Retirement Appointment, the member's workload will decrease over three years to 75%, 50% and 33-1/3%. This can be modified by mutual agreement of the member and the Head, provided the minimum level of workload is 33-1/3%.
- g) Benefits provided during the Phased-in Retirement Appointment are as provided for in the Agreement on Reduced Appointments, except that where the load, by agreement, is between 33-1/3% and 50%, benefits shall be maintained as if the appointment were 50% or higher.

2.07 Option 2: Part-time Appointment

- a) A member may elect to take a part-time appointment. The Part-time Appointment Option is for a maximum of five years in total (i.e. the notice period, plus the part-time appointment).
- b) A member who elects to take the Part-time Appointment Option must continue to perform the full scope of duties at 50% of full-time workload. Members may, in consultation with the Head, choose from a range of load-options, from fulltime/partial-year to part-time/full-year. The Head will make a reasonable effort to accommodate the requests for load-options.
- c) A Part-time Appointment with a workload between 51% and 80% requires mutual agreement of the member and the Head.
- d) The member must give advance notice of his/her intention to elect this option (the “notice period”). Eighteen months’ notice is preferred, but a minimum of twelve months is required, which may be waived by mutual agreement of the member and the Head.
- e) Notice by a member to enter into this option constitutes irrevocable notice to retire.
- f) The maximum period for a Part-time Appointment is four years. The retirement date can be shortened with at least six months’ notice provided on either June 30th or December 31st but can only be extended by mutual agreement of the member and the Head.
- g) Salary during a Part-time Appointment is commensurate with percentage of workload performed.

2.08 Option 3: Reduced-Scope Appointment

- a) A member may request a reduced-scope appointment. The Reduced-Scope Appointment Option is for a maximum of five years in total (i.e. the notice period, plus the reduced scope appointment).
- b) A reduced-scope appointment provides for reduced-scope of duties (to either a part-time appointment, or remaining as a full-time appointment) where the member can request a reduction in his/her contribution in one area of duties, and possibly increase it in others.
- c) Approval of a reduced-Scope Appointment is at the sole discretion of the Dean of the Faculty (or equivalent), upon the recommendation of the Head.
- d) The member must give advance notice of his/her intention to elect this option (the “notice period”). Eighteen months’ notice is preferred, but a minimum of twelve months is required, which may be waived by mutual agreement of the member and the Head.
- e) Notice by a member to enter into this option constitutes irrevocable notice to retire.
- f) The maximum period for a Reduced-Scope Appointment is four years. The retirement date can be shortened with at least six months’ notice provided on either June 30th or December 31st but can only be extended by mutual agreement of the member and the Head.
- g) Salary during a Part-time Appointment is commensurate with percentage of workload performed.

PART 2: SALARIES AND ECONOMIC BENEFITS

The University of British Columbia and the Faculty Association of the University of British Columbia have agreed as follows:

Article 1. Interpretation

1.01 For the purposes of Part 2: *Salaries and Economic Benefits*,

- a) "Continuing member of the bargaining unit" means a person who was a member of the bargaining unit on (1) June 30, 2012 and who continues to be a member of the bargaining unit (after July 1, 2012), (2) June 30, 2013 and who continues to be a member of the bargaining unit (after July 1, 2013), but does not include any Sessional Lecturer;
- b) "Sessional Lecturer" means a person who was appointed as a Sessional Lecturer during the period (1) July 1, 2012 to June 30, 2013 and who is re-appointed as a Sessional Lecturer during the period July 1, 2013 to June 30, 2014;
- c) "Part-time appointee" means a member of the bargaining unit who held a part-time appointment in the period (1) July 1, 2012 to June 30, 2013 and whose appointment continues or who is re-appointed in the period July 1, 2013 to June 30, 2014;
- d) "2011/2012 salary" means the annual salary to which a member of the bargaining unit became entitled by virtue of adjustments made to his/her salary taking effect as of July 1, 2012 or in the case of new members, the salary at which they were appointed during July 1, 2011 to June 30, 2012;
- e) "2012/2013 salary" means the annual salary to which a member of the bargaining unit became entitled by virtue of adjustments made to his/her salary taking effect as of July 1, 2013 or in the case of new members, the salary at which they were appointed during July 1, 2012 to June 30, 2013.

Article 2. Continuing Members of the Bargaining Unit: Salaries

2.01 General Salary Increase

A General Salary Increase of 2.45% of the

- (1) 2011/2012 salaries of continuing members of the bargaining unit, effective on July 1, 2012;

A General Salary Increase of 2.40% of the

- (2) 2012/2013 salaries of continuing members of the bargaining unit, effective on July 1, 2013.

2.02 Career Progress Increments (CPI)

A sum equal to 1.25% of the

(1) 2011/2012 salaries of continuing members of the bargaining unit shall, effective on July 1, 2012,

(2) 2012/2013 salaries of continuing members of the bargaining unit shall, effective on July 1, 2013; and

be allocated by way of CPI in accordance with the following provisions;

- a) CPI shall be composed of 0, 1/2, 1, 1-1/2, or 2 units, the value of 1 unit to be determined in the usual way, but not to be less than \$1000.00.
- b) Each continuing member of the bargaining unit shall be considered for a CPI in accordance with either Appendix A or B, depending on rank.
- c) The over-riding criterion for the award of CPI shall be satisfactory career progress. These increments, however, should in general be larger for those in the early rather than in the late stages of their careers.
- d) CPI may be withheld if, in the period in question, the member is demonstrating unsatisfactory progress in his/her career, based on the relevant criteria as outlined in Article 4 of Part 4: *Conditions of Appointment for Faculty* and Article 3 of Part 5: *Conditions of Appointment for Librarians* and Article 3 of Part 6: *Conditions of Appointment for Program Directors in Continuing Studies*. Members who are within the schedule of CPI increments, but who do not receive CPI, must receive written reasons for such a decision in advance. In reaching such a decision, the Heads (or Director or Dean) shall first consult with a reasonable number of colleagues within the unit. In the case of a decision by a Head, such decision will also require approval by the Dean. Any CPI, which are withheld in any given year, shall return to the salary pool for the purposes of establishing the value of next year's CPI unit. Career progress carry forwards (CPCF) are to be banked and paid according to existing practice (no withholding of CPCF). Decisions remain grievable under Article 21 of Part 1: *Framework for Collective Bargaining*.

2.03 Career Progress Increments for Length of Service

- a) Effective July 1, 2012, each faculty member eligible for Career Progress will receive 1/3 of a Career Progress Increment (CPI) unit at year 20 and at year 25 of their initial appointment in an eligible rank.
- b) For those faculty reaching their 20th and 25th year of appointment on July 1, 2012, the allocation of this length of service CPI unit will be funded from within the CPI pool.

Subject to c) below, Career Progress Increments for length of service shall be funded from within the CPI pool.

- c) For those faculty who have reached their 20th and/or 25th year of appointment prior to July 1, 2013, their length of service CPI unit shall be equally distributed in each of two years, July 1, 2013 and July 1, 2014, to be funded exactly as the Career Progress Carry Forward's, to the maximum of the Performance Salary Adjustment pool.
- d) It is recognized and acknowledged that this agreement is fully funded from within the Career Progress Increment pool and the Performance Adjustment Pool and requires no additional funding from any source.

2.04 Merit Awards

A sum equal to 0.75% of the

(1) 2011/2012 salaries of continuing members of the bargaining unit shall, effective on July 1, 2012;

(2) 2012/2013 salaries of continuing members of the bargaining unit shall, effective on July 1, 2013;

be allocated in accordance with the following provisions:

- a) Merit awards shall be comprised of 1, 1-1/2, 2, 2-1/2, or 3 units, the value of 1 unit to be the same as that of a CPI unit as in Article 2.01(a) above.
- b) Each continuing member of the bargaining unit shall be considered for a merit award, taking into consideration the criteria set out in Article 4 of Part 4: *Conditions of Appointment for Faculty*, namely teaching, scholarly activity, and service to the University and to the community, Article 3 of Part 6: *Conditions of Appointment for Librarians* and Article 3 of Part 5: *Conditions of Appointment for Program Directors in Continuing Studies*. Judgments shall be based on the duties expected of a member in the period in question and shall not be based on activities in which the member had not the opportunity to engage. For example, a faculty member who is not expected to teach but is expected to carry out research and contribute service should be considered on the latter two criteria. A member whose assigned duties consist of teaching and service (e.g. Instructor I) should be considered only on those two criteria. The basis for this round of recommendations should be academic performance relative to these criteria between

(1) April 1, 2011 and March 31, 2012 for increases effective July 1, 2012; and

(2) April 1, 2012 and March 31, 2013 for increases effective July 1, 2013;

The Head shall consult with a reasonable number of colleagues representative of each of the ranks in the unit before making a recommendation on the award of merit. If the Head

cannot adequately assess the contribution outside the department of an individual for the purpose of merit he/she shall consult with the Dean and either the Vice President Academic at the Vancouver campus or the Deputy Vice Chancellor at the Okanagan campus as appropriate before making a recommendation.

- c) Prior to finalizing the unit's policy on allocation of merit, the Head shall consult with a reasonable number of colleagues representative of each of the ranks in the unit.
- d) Once finalized, the policy and the procedures, including procedures for members holding joint appointments, to be used within a unit for making recommendations by the Head on the award of merit shall be distributed annually to all members of the unit.
- e) All members eligible for consideration for merit shall submit to the Head a summary of their relevant scholarly, teaching and service activities and may include an indication of the nature and significance of the activities.
- f) A list of those members who are awarded merit shall be distributed individually to all members of the unit.

2.05 Performance Salary Adjustments (PSA)

A sum equal to 0.5% of the

- (1) 2011/2012 salaries of continuing members of the bargaining unit shall, effective on July 1, 2012; and
- (2) 2012/2013 salaries of continuing members of the bargaining unit shall, effective on July 1, 2013;

be allocated by way of PSA. The CPCF units will be the first charge on the PSA allocation. The salary of each continuing member of the bargaining unit shall be considered to determine whether PSA is appropriate. Recommendations for PSA awards are made having regard to overall performance. Normally, PSA would not awarded to members in their first three years of employment as a Faculty Member at UBC. It is inappropriate to recommend PSA to compensate for salary differentials that result from the differential award of career progress increments or merit awards.

Factors that should be taken into account include:

- i) performance over a period of time which is worthy of recognition;
- ii) the relationship of a member's salary to that of other members taking into consideration total years of service at UBC; and
- iii) market considerations.

Heads shall take advice on individual's performance from a reasonable number of colleagues representative of each of the ranks in the unit before deciding whether or not to recommend PSA. If the Head cannot adequately assess the contribution outside the department of an individual for the purpose of PSA, he/she shall consult with the Dean and either the Vice President Academic at the Vancouver campus or the Deputy Vice Chancellor at the Okanagan campus as appropriate before making a recommendation.

- a) Prior to finalizing the unit's policy on allocation of PSA, the Head shall consult with a reasonable number of colleagues representative of each of the ranks in the unit.
- b) Once finalized, the policy and the procedures, including procedures for members holding joint appointments, to be used within a unit for making recommendations by the Head on the award of PSA shall be distributed annually to all members of the unit.
- c) All members eligible for consideration for PSA shall submit to the Head a summary of their relevant scholarly, teaching and service activities and may include an indication of the nature and significance of the activities.
- d) A list of those members who are awarded PSA shall be distributed individually to all members of the unit.

2.06 Award of Merit and PSA for Heads

Merit and PSA for Heads will be allocated by the Dean after consulting with a reasonable number of colleagues within the unit.

Article 5. Lump-Sum Payments

- 5.01 The Parties recognize each member of the bargaining unit has been paid an amount equal to 1% of salary as a development (fundraising) productivity lump sum payment. This lump sum payment will continue to be paid to each member of the bargaining unit effective June 30 of each year, beginning July 1, 2012.

- 5.02 All Sessional Faculty Members who held an appointment during the period from July 1 of one year to June 30 of the next, will receive the lump sum payment described in paragraph 5.01 above.

Article 6. Retention Fund

6.01 The University may increase salaries of continuing members of the bargaining unit for the purpose of retention. Any such increase in salary (which may occur at any time of the year) will reflect market considerations where market is disciplinary and/or merit based. In all circumstances, merit of the individual(s) must be demonstrated in market considerations. The total disbursement shall be \$600,000 over the two years of the Agreement, with \$200,000 to be distributed in the first year (2012-2013), and \$400,000 in the second year (2013-2014). MEMORANDUM OF AGREEMENT
BETWEEN
THE UNIVERSITY OF BRITISH COLUMBIA
AND
THE FACULTY MEMBERS OF THE FACULTY OF COMMERCE AND
BUSINESS ADMINISTRATION (SAUDER SCHOOL OF BUSINESS)

Point Grey Commerce Faculty Association

Subsidiary Agreement

Pursuant to Article 9 of Part 1: *Framework for Collective Bargaining* between the University and the Faculty Association of the University of British Columbia (“the Faculty Association”), the University and the Faculty Members of the Faculty of Commerce and Business Administration (Sauder School of Business) enter into a subsidiary agreement on February 22, 2012 with the following terms:

1. While recognizing that current financial conditions will not allow for the provision of additional salary support for faculty members in the Faculty at this time, the University will continue to monitor the challenges faced by the Faculty in hiring and retaining research faculty and will enter into discussions with the Faculty to try to address these challenges at the next round of bargaining.
2. When additional funding for salary support for faculty in Sauder is available, determination of increases to individual faculty members will be based on market comparisons with other comparable institutions for Sauder faculty in general and for the various fields and areas of expertise within the Sauder School of Business. The purpose of any supplemental salary increase will be to address the ability of the Faculty to retain faculty in the higher demand fields while recognizing that individual merit is also a significant factor.
3. Any such increases will be determined in accordance with items 1 and 2 above by the Dean of the Faculty in consultation with representatives of Sauder’s Performance Advisory Committee and the Point Grey Commerce Faculty Association, and will be subject to the approval of the Provost and Vice President Academic.
4. This subsidiary agreement is subject to ratification by members of the Sauder School of Business, members of the Faculty Association and by the Board of Governors under the Agreement on the Framework for Collective Bargaining between the University and the Faculty Association.

Signed this day the 22nd day of February, 2012

For The University of British Columbia: Frances Watters, Director, Faculty Relations

For the UBC Point Grey Commerce Faculty Association: Darren Dahl, President

PART 3: LEAVES OF ABSENCE

The primary purpose of granting leave of absence to members of faculty, including librarians and program directors, is to enable them to enhance their quality as scholars and as teachers, thereby assisting the University to achieve greater excellence in its basic areas of responsibility - effective teaching and the advancement of learning. However, leave may be granted for other purposes.

While it is recognized that members should be as free as possible to pursue their scholarly interests, it is recognized also that they share the responsibility for efficient operation of the University. Arrangements for leave of absence should be consistent both with the freedom of the individual and with his/her University responsibilities.

Members granted leave of absence should contact Payroll and make arrangements for the continuation of any benefit programs for which they may be eligible during their absence.

Members on reduced appointments are eligible to apply for leaves in accordance with University policies and the relevant Conditions of Appointment.

Article 1. Leave During Pre-Tenure Period

- 1.01 Any leave granted to a member of faculty on a pre-tenure appointment will not extend beyond the date of termination of his/her appointment.
- 1.02 Except in the case of maternity or parental leave any period of leave taken during a pre-tenure appointment shall be included in the years of service in that pre-tenure appointment.
- 1.03 When a member of faculty on a pre-tenure appointment is granted maternity or parental leave, the length of the pre-tenure appointment shall be extended by one year, unless the faculty member informs the Head in writing that she or he does not wish the pre-tenure period extended.
- 1.04 If a faculty member is unable to perform his/her duties because of illness or injury the Parties agree to consider whether, in the circumstance of each case, the period of a pre-tenure appointment should be extended.

Article 2. Study Leave

- 2.01 Study leave permits a member of faculty to pursue study or research, of benefit to the individual and the University. Senior Instructors, Assistant Professors, Associate Professors, Professors, Professors of Teaching, Librarians and Program Directors are eligible to apply for study leave under the following conditions:
 - a) Before being granted a study leave an individual shall have completed at this University, since appointment or previous study leave, four or more years of full-time service in appointments with review or tenured appointments of which at least two years shall have been in an eligible rank. Where a member takes sick, maternity and/or

parental leave, up to six (6) months of each leave will be considered full-time service for the purpose of study leave eligibility. Preference will be given to members of faculty with tenure. An individual who is refused study leave for administrative reasons shall be given priority in consideration of applications for study leave in the following year.

- b) For study leave, the qualifying period for members on reduced appointments is the same number of calendar years of service as full time members. Salary during study leave is computed as the percentage of full time service worked in the four or six years immediately preceding the leave multiplied by the percentage of study leave salary applicable.

2.02 Study leave may be granted for the following terms:

- a) For twelve months, either from July 1, September 1, or January 1, with 60% of salary for the period of study leave if it is taken before six years of full-time service since appointment or previous study leave, and with 80% of salary otherwise; or
- b) For eight months, either from January 1 to August 31 or from May 1 to December 31, with 75% of salary for the period of the study leave; or
- c) For six months, either from January 1 to June 30 or from July 1 to December 31, with 75% of salary for the period of the study leave if it is taken before six years of full-time service since appointment or previous study leave, and with 90% of salary otherwise.

2.03 Where it is shown to be to the advantage of the faculty member and the University, a faculty member who qualifies for leave of twelve months may, subject to the approval of the Head and Dean, be permitted to divide the leave of twelve months into two parts of six months (either from July 1 or January 1). The second part of the leave may be delayed for no more than two years from the conclusion of the first part (to be taken either from July 1 or January 1). In such cases, for the purpose of calculating when an individual becomes eligible to apply for further study leave, the following shall apply:

- a) If the time agreed upon for the delayed six-month leave is postponed at the request of the individual, the leave shall be deemed to have ended and full-time service to have resumed at the conclusion of the second six-month period of leave.
- b) If the time agreed upon for the delayed six-month leave is postponed at the request of the University, the leave shall be deemed to have ended and full-time service to have resumed at the time when the delayed leave would have ended had it not been postponed.

2.04 The percentage of salary to be paid by the University during study leave applies only to that portion of salary that derives from University funds and not to the portion of salary that derives from non-University grantors or agencies. An individual, however, may make

appropriate arrangements with these grantors or agencies concerning the portion of salary paid by them.

- 2.05 The University shall pay its full contribution to pension and other fringe benefits of the individual on study leave provided that the individual continues to pay his/her own contributions.
- 2.06 An individual going on study leave shall report to the Head, Director or Dean the nature and amount of fellowships, grants and other outside support to be received by the individual in order to supplement the remuneration to be received from the University. If the individual's total remuneration from the University and from the support indicated above (excluding grants and allowances to cover research and travel expenses) exceeds 100% of normal full salary, then the University may reduce its contribution until the total remuneration received is 100% of normal full salary.
- 2.07 An applicant for study leave shall give an undertaking to return to the University for a period of one year upon the expiration of the leave.
- 2.08 An application for study leave shall be submitted on the Study Leave Application Form. It shall be presented to the Head, Director or Dean sufficiently in advance of the time leave is to be taken that it can be adequately evaluated by the Department and the Faculty. It shall be accompanied by a statement giving the details of the proposed plan for the leave.
- 2.09 The individual shall, so far as is reasonable, follow the plan approved for study leave. If substantial modifications are contemplated, the Head, Director or Dean shall be notified. If such modifications are incompatible with the carrying out of the approved plan, the consent of the Head, Director or Dean shall be required.
- 2.10 On returning from study leave, the individual shall report in writing to the Head, Director, or Dean on activities and progress during the study leave. In appropriate cases an alternative form of reporting may be agreed upon by the individual and the Head or Director but it shall require the approval of the Dean.
- 2.11 Cancellation of a study leave once granted shall not normally be permitted after January 15 immediately preceding the year starting on May 1 during which the leave is to be taken or after three weeks from the date the individual is notified by the University that the leave has been approved, whichever is the later.
- 2.12 The recommendations concerning study leave by the Head of the applicant's Department and the Dean of the Faculty shall be accompanied by an assessment of the effect of the award of the leave on the budget and teaching functions of the Department and the Faculty.
- 2.13 Recommendations in favour of granting study leaves to be taken during the year starting on May 1 shall be sent to the President by the Deans with their recommendations not later than the February 1 immediately preceding.

Article 3. Leave for Improving Basic Qualifications

- 3.01 If a member of the full-time teaching staff is granted leave to improve his/her basic qualifications, the University, while usually not contributing to his/her salary, will make its normal payments to his/her pension and fringe benefits, subject to the individual's contributing his/her share.
- 3.02 Arrangements should be made by the Department Head or Director in consultation with the Dean and will be subject to approval by the President.

Article 4. Leave Without Pay or Benefits

- 4.01 Leave without pay or benefits may be granted by the President, on the recommendation of the Dean. Normally such leave is granted for a period not exceeding two years.
- 4.02 An individual taking leave without pay or benefits may elect to pay the full amount of the University's and his/her contributions to pensions and fringe benefits.
- 4.03 An individual taking leave to accept a paid assignment should ensure that his or her prospective employer contributes, in addition to salary, an amount sufficient to cover pension and fringe benefits; only in those cases where the project is of unusual significance will the University contribute its share of these expenses, and then only if the member contributes his /her share. When an individual is planning to leave to accept a position as a visiting faculty member at another university, he or she should consult with the Dean as to the most appropriate arrangement for the payment of fringe and pension benefits.

Article 5. Leave at the Request of the University

- 5.01 If a full-time member of the teaching staff is requested by the University to take leave of absence to carry on special studies or research, the terms of leave will be arranged through the Head or Director and the Dean and forwarded to the President for his/her approval.
- 5.02 Absence from the campus to conduct field instruction or official business at the request of the Head or Director, or of the Dean, does not require a request for leave.

Article 6. Maternity and Parental Leave

- 6.01 If a faculty member is eligible for, applies for and receives Employment Insurance (EI) maternity leave payments for up to 15 weeks, UBC will top up the salary through the Supplemental Unemployment Benefits (SUB) plan for the duration of the maternity leave to 95% of pre-maternity leave salary. In addition to these 15 weeks, UBC will pay 95% of pre-maternity leave salary during the 2-week waiting period imposed by EI regulations.
- 6.02 If a faculty member is eligible for, applies for and receives EI parental leave payments for up to 35 weeks, UBC will top up the salary through the SUB plan for a maximum of 10 weeks

to 95% of pre-parental leave salary. In addition to these 10 weeks, UBC will pay 95% of pre-parental leave salary during the 2-week waiting period, if not previously served.

- 6.03 Birth mothers are eligible for both maternity and parental leave; for example, if a birth mother combines the 15 weeks of maternity leave and 10 weeks of parental leave, she is eligible for 25 weeks of SUB benefits in addition to the 95% top-up for the 2 week waiting period for a total of 27 weeks.
- 6.04 Adoptive parents and the partner or spouse of a birth mother are eligible for parental leave. The benefits shall be available in the case of same sex partners.
- 6.05 The timing of the commencement of the leave of absence shall be at the discretion of the faculty member, provided that reasonable notice is given to the University.
- 6.06 Additional parental leave, without UBC SUB top-up, may be available as per the *Employment Standards Act*.

Article 7. Leave in Special Circumstances

- 7.01 Leave of absence up to four months, with full salary and benefits, may be granted by the President, on the recommendation of the Dean.

Article 8. Vacation

- 8.01 The normal vacation should be arranged informally between a faculty member and the Head or Director.

PART 4: CONDITIONS OF APPOINTMENT FOR FACULTY

The University of British Columbia and the Faculty Association of the University of British Columbia have agreed on the following conditions of appointment for faculty members at The University of British Columbia.

Article 1. Interpretation

1.01 For the purpose of Part 4: *Conditions of Appointment for Faculty*:

“Faculty Member” means all persons appointed by the Board of Governors of the University of British Columbia on a full or part time basis as Instructor I, Senior Instructor, Professor of Teaching, Lecturer, Instructor II, Assistant Professor, Associate Professor, Professor or equivalent position.

“Lecturer” means a person holding an appointment without review for a term of twelve (12) months or less with responsibilities limited to teaching and related duties which may include administrative responsibilities normally undertaken by faculty members.

“Periodic review” means a review of the record of a faculty member, undertaken in accordance with the procedures of Article 5 of Part 4 *Conditions of Appointment for Faculty*, leading to a decision by the President whether or not to recommend to the Board of Governors that the faculty member be promoted;

“Scholarly activity” means research of quality and significance, or, in appropriate fields, distinguished, creative or professional work of a scholarly nature; and the dissemination of the results of that scholarly activity.

1.02 Heads of Departments

- a) The terms and conditions of the Head’s appointment, including the functions and responsibilities delegated to the Head, shall be agreed in writing between the Dean and the Head at time of appointment or reappointment. As part of their appointment, Heads shall have access to training, time, and support to assist them in carrying out their responsibilities.
- b) Heads report to the Deans of their Faculties. They provide intellectual and administrative leadership for the unit, and are accountable for the operation of the unit, including the budget. In addition, they represent the views of their Departments to the Deans and the University at large.

1.03 Recognition for Service as Department Head

- a) The Head shall be entitled to receive an administrative stipend which shall not be added to base salary, and may also be granted a teaching release. The minimum annual stipend will continue to be \$5,000 per year.
- b) The amount of the stipend and any teaching release shall be agreed at the time of appointment/reappointment and shall be included in a written agreement between the Head and the Dean.
- c) Heads will be granted administrative leave with full salary and benefits for eight months upon successful completion of a three-year term, 12 months upon completion of a five-year term. Time served as a Head and time taken on administrative leave will not be included in years of service for the purpose of calculating study leave.
- d) A bargaining unit member who takes an academic administrative position will not lose any service time accrued towards a study leave prior to the administrative position.

Article 2. Types of Appointments

2.01 Every appointment shall be one of the following types. The term of every appointment, and the termination date, shall be clearly stated on the appointment notice received by the appointee.

2.02 Term Appointments without Review

- a) Appointments without review are full-time or part-time appointments for a specified limited term. There is no implication that the appointee will be considered for any further appointment of this or any other kind on the expiration of the specified term.
- b) Term appointments without review are governed by regulations of the Board of Governors set forth in UBC Policy Number 42.

2.03 Term Appointments with Review

- a) Term appointments with review are full-time appointments for a specified term of at least twelve (12) months other than term appointments without review.
- b) For the purpose of calculating years of service, all appointments shall be deemed to have commenced on July 1 of the calendar year in which the appointment began.
- c) These appointments carry no implication of automatic renewal but imply that the appointee will be considered for further appointment. They are to be reviewed before expiration of the specified term in accordance with the criteria and procedures prescribed below.

- d) Subject to Article 2.03(f), any person holding a term appointment with review is eligible for consideration for a tenured appointment.
- e) By the end of an appointee's fifth year of continuous service in a term appointment with review, a recommendation must be made to the President either to grant a tenured appointment or not to renew the appointment, except as provided in Article 2.03(f). In exceptional cases a recommendation may be made before the end of the fifth year, or in the case of an Associate Professor or Professor, before the time when it would normally be made; in particular an early recommendation to grant a tenured appointment may be made when a candidate has had academic, professional, or other comparable experience before being appointed by the University.
- f) In the case of an Assistant Professor
 - i) if at any time before, or if in, the seventh year of service an Assistant Professor is promoted to the rank of Associate Professor, a tenured appointment will also be granted;
 - ii) if an appointee is not granted a tenured appointment pursuant to (i) above, then in the seventh year of service a recommendation either to grant a tenured appointment at the rank of Assistant Professor or otherwise, or not to renew the appointment, must be made;
 - iii) during the pre-tenure period an Assistant Professor who has been reviewed for but denied promotion to the rank of Associate Professor has the right of appeal which would normally arise from a decision following a periodic review.
- g) A decision not to grant a tenured appointment on the expiry of the maximum period for a term appointment with review will normally be followed by a one-year terminal appointment. If the decision not to grant a tenured appointment is received after December 1 of the academic year following the review year, the period of notice of termination will include one complete academic year in addition to any months remaining in the academic year in which the notice of termination is received. If, however, the current term appointment with review has one year or longer to run at the date of the decision not to grant a tenured appointment, notice of intention not to renew the appointment shall be given at least twelve (12) months prior to termination date of the current appointment and this notice shall be sufficient to comply with Article 7.01 below.
- h) The maximum period of a term appointment with review, except as provided in 2.03, is:
 - i) in cases of Assistant Professor eight (8) years; and
 - ii) in cases other than Assistant Professor six (6) years;

The sixth or eighth year, in appropriate cases, shall be the terminal year.

- i) No person will acquire a tenured appointment by reason only of holding a term appointment with review that extends beyond the maximum period of such appointments.

2.04 Tenured Appointments

Tenured appointments are full-time appointments except when the University and a faculty member have agreed to change a full-time tenured appointment to a part-time tenured appointment. They cannot be terminated except in accordance with Article 10 below or for financial exigency or redundancy. Termination for financial exigency or redundancy shall be in accordance with any applicable criteria and procedures established under Article 12 below.

Article 3. Titles and Ranks

- 3.01 Every faculty member is either a Lecturer or holds one of the following ranks, in either the teaching stream (Instructor I, Senior Instructor, Professor of Teaching) or the professoriate stream (Instructor II, Assistant Professor, Associate Professor, Professor).

3.02 Instructor I

Appointment to this rank normally requires completion of academic qualifications, evidence of ability and commitment to teaching and promise of educational leadership. Appointments and reappointments are normally made for two years but in exceptional circumstances may be made for a lesser period. An Instructor I who is in the fifth year of appointment shall be considered for promotion to the rank of Senior Instructor and if successful shall be granted tenure in that year.

3.03 Instructor II

Appointment to this rank requires the completion, or promise of early completion, of academic qualifications and evidence of potential ability in teaching and research. Appointment is for a term of two years. A person will not normally be reappointed as an Instructor II. At the end of the second year of appointment, an appointment may be offered at the rank which would be an appropriate rank or the appointment may not be renewed. The pre-tenure period begins at the start of the appointment as Instructor II.

3.04 Senior Instructor

Appointment at or promotion to the rank of Senior Instructor requires evidence of excellence in teaching, demonstrated educational leadership, involvement in curriculum development and innovation, and other teaching and learning initiatives. It is expected that Senior Instructors will keep abreast of current developments in their respective disciplines,

and in the field of teaching and learning. A Senior Instructor may be promoted to the rank of Professor of Teaching in the fifth or subsequent years in rank.

3.05 Professor of Teaching

Appointment at or promotion to the rank of Professor of Teaching requires evidence of outstanding achievement in teaching and educational leadership, distinction in the field of teaching and learning, sustained and innovative contributions to curriculum development, course design and other initiatives that advance the University's ability to excel in its teaching and learning mandate. Initial appointments at this rank are normally tenured appointments.

3.06 Assistant Professor

- a) Appointment at or promotion to the rank of Assistant Professor normally requires completion of academic qualifications, and evidence of ability in teaching and scholarly activity. Evidence will ordinarily be required to demonstrate that the candidate for an appointment or promotion is involved in scholarly activity, is a successful teacher, and is capable of providing instruction at the various levels in his/her discipline, but it is sufficient to show potential to meet these criteria. The evidence may include the opinion of scholars familiar with the candidate's work and capability.
- b) Initial appointments at this rank are normally for a term of three years, but in exceptional circumstances may be for a lesser period. Renewal of an individual's appointment is for a term of three years. If an additional renewal is granted, it is for two years.
- c) Decisions on the award of tenured appointments are made in accordance with the provisions of Article 2.03. In special cases an Assistant Professor may be given the rank of Senior Instructor and a tenured appointment.

3.07 Associate Professor

- a) Appointment at or promotion to the rank of Associate Professor normally requires evidence of successful teaching and of scholarly activity beyond that expected of an Assistant Professor. The candidate for appointment or promotion will be judged on teaching as defined in Article 4.02, on sustained and productive scholarly activity, on ability to direct graduate students, and on willingness to participate and participation in the affairs of the Department and the University. Promotion to this rank is not automatic or based on years of service and it is expected that some persons who may be granted tenured appointments will not attain this rank. In exceptional circumstances, initial appointment at this rank may be based upon evidence of the candidate's potential to meet these criteria, including the opinion of scholars or other qualified persons familiar with the candidate's work and capability.

- b) Initial appointments at this rank are normally for a term of three years, with review, but in exceptional circumstances may be for a lesser period or tenured. Renewal of these appointments that have been made for a term of three years will normally be tenured but if the initial term was made for less than three years, a tenure decision will not usually be made until the appointee is in the third year of service at the rank of Associate Professor.

3.08 Professor

- a) Appointment at or promotion to the rank of Professor is reserved for those whose contributions (judged by the criteria as set out in Article 4) are considered outstanding.
- b) These persons will have met appropriate standards of excellence and have wide recognition in the field of their interest. They must have shown high quality in teaching and sustained and productive scholarly activity, have attained distinction in their discipline, and have participated significantly in academic and professional affairs. Promotion to this rank is neither automatic nor based on years of service and it is expected that some persons will not attain this rank.
- c) Initial appointments at this rank may be term appointments or tenured appointments. Renewal of a term appointments will normally be made without term.

Article 4. Criteria for Appointment, Reappointment, Tenure and Promotion

- 4.01 a) Candidates for appointment, reappointment, tenure or promotion, other than those dealt with in paragraph (b), are judged principally on performance in both teaching and in scholarly activity. Service to the academic profession, to the University, and to the community will be taken into account but, while service to the University and the community is important, it cannot compensate for deficiencies in teaching and in scholarly activity. Competence is required both in teaching and in scholarly activity, provided that a candidate who does not meet the criterion of scholarly activity but who is judged to be an excellent teacher may be given a tenured appointment as Senior Instructor when, in the view of the University, its needs will be best served by that appointment. Appointments without term are granted to individuals who have maintained a high standard of performance in meeting the criteria set forth below and show promise of continuing to do so.
- b) Candidates for appointment or reappointment to the rank of Instructor I are judged principally on performance in teaching. Service to the academic profession, to the University, and to the community may be taken into account. Instructors I who are candidates for a tenured appointment are judged on the ground of excellence in teaching.
- c) Judgments of an individual should be made objectively.

- d) The decision to grant a tenured appointment shall take into account the interests of the Department and the University in maintaining academic strength and balance but no person holding a term appointment with review shall be denied reappointment or a tenured appointment on the ground that the University has established quotas in a Department or Faculty for those holding a tenured appointment.
- e) A person holding a term appointment with review may be denied reappointment or a tenured appointment on the grounds of financial exigency or redundancy. This shall be done in accordance with any applicable criteria and procedures established under Article 12 below.

4.02 Teaching

Teaching includes all presentation whether through lectures, seminars and tutorials, individual and group discussion, supervision of individual students' work, or other means by which students, whether in degree or non-degree programs sponsored by the University, derive educational benefit. An individual's entire teaching contribution shall be assessed. Evaluation of teaching shall be based on the effectiveness rather than the popularity of the instructor, as indicated by command over subject matter, familiarity with recent developments in the field, preparedness, presentation, accessibility to students and influence on the intellectual and scholarly development of students. The methods of teaching evaluation may vary; they may include student opinion, assessment by colleagues of performance in university lectures, outside references concerning teaching at other institutions, course material and examinations, the calibre of supervised essays and theses, and other relevant considerations. When the opinions of students or of colleagues are sought, this shall be done through formal procedures. Consideration shall be given to the ability and willingness of the candidate to teach a range of subject matter and at various levels of instruction.

4.03 Scholarly Activity

Judgment of scholarly activity is based mainly on the quality and significance of an individual's contribution.

Evidence of scholarly activity varies among the disciplines. Published work is, where appropriate, the primary evidence. Such evidence as distinguished architectural, artistic or engineering design, distinguished performance in the arts or professional fields, shall be considered in appropriate cases.

- a) For the scholarship of teaching, scholarly activity may be evidenced by originality or innovation, demonstrable impact in a particular field or discipline, peer reviews, dissemination in the public domain, or substantial and sustained use by others. For example, textbooks and curriculum reform that changed academic understanding or made a significant contribution to the way in which a discipline or field is taught might constitute

useful evidence of the scholarship of teaching whereas textbooks or curriculum revision of a routine nature would not.

b) In professional or clinical studies scholarly activity may be evidenced by research on or the creation of:

- i) significant applications of fundamental theory; or
- ii) significant forms and applications of professional or clinical practice.

Work with professional, technical, scholarly or other organizations or with scholarly publications which falls within the definition of scholarly activity may also be considered.

4.04 Service to the University and the Community

This includes service performed for the benefit of Departments, Faculties, Continuing Studies, or other parts of the University (including the Faculty Association), and for professional organizations and the community at large. Such service might include administrative or supervisory work, service on committees and university bodies, all continuing education activity in the community including professional education, special work with professional, technical, scholarly or other organizations or with scholarly publications not falling within the definition of scholarly activity, membership on or service to governmental or public councils and boards, and other forms of academic, professional, and public service.

Article 5. Procedures for Appointment, Reappointment, Tenure and Promotion

5.01 General Provisions

- a) Appointments, reappointments, tenure decisions and promotions are made by the Board of Governors upon the recommendation of the President.
- b) The procedures in this section govern initial appointments at the ranks of Instructor I, Instructor II, Senior Instructor, Assistant Professor, Associate Professor, and Professor; renewal or non-renewal of term appointments with review; recommendations for or against the award of tenure; and promotions.
- c) Where there is a joint appointment, procedures and criteria for tenure and promotion evaluation will be clearly laid out at the time of appointment.
- d) It is expected that confidentiality will be respected by all those participating in consultations.

5.02 Meetings with the Head

- a) No later than June 30 of the academic year preceding the year in which a faculty member may be considered for promotion under Article 9 below, or will be considered

for reappointment, or for tenure, the Head shall meet with the faculty member. It is the responsibility of the faculty member to provide an up-to-date curriculum vitae and other relevant information for the review of the Head, prior to the meeting.

- b) The purpose of the meeting is to identify any potential difficulties with the candidature, to assist the candidate with any concerns, and to discuss:
 - i) the timing of the next review;
 - ii) the criteria and expectations of the next review, including how teaching, scholarly activity and service will be assessed;
 - iii) the candidate's record including their successes, any potential difficulties and how concerns may be addressed; and
 - iv) where relevant, the information and documents required for the review to proceed.
- c) The candidate may bring a colleague to each of the above meetings.
- d) At the conclusion of each of these meetings the matters discussed must be recorded in a memorandum prepared by the Head and agreed to by the candidate. Although the candidate and the Head must agree on what was discussed, they may or may not agree on the evaluations or advice provided.

5.03 Candidate's File for Reappointment, Promotion or Tenure

- a) Initial file

It is the responsibility of the candidate to provide the file that is to be reviewed no later than September 15, unless otherwise agreed by the Head.

- b) Supplementing Files

The candidate or the University has the right, up to the stage of the President's decision, to supplement the file by the addition of new, unsolicited information (such as a new set of student evaluations, the publication of an additional book or article, the receipt of a grant, a published review of the candidate's work, etc.) or a response to particular concerns that emerge in the relevant documentation.

5.04 Departmental Consultation: Committees

- a) The Department Head shall consult formally at meetings convened for that purpose with eligible members of the Department in order to ascertain their views and to obtain their recommendation concerning appointment, reappointment, tenure and promotion.
- b) Faculty members eligible to be consulted are:

- i) In the case of initial appointments, those of a rank equal to or higher than the rank at which the appointment is to be made.
 - ii) In the case of reappointments and promotions, those higher in rank than the candidate, except that in the case of reappointment of a Professor those holding the rank of Professor are eligible to be consulted.
 - iii) In the tenure cases, those who are tenured and of equal or higher rank.
- c) Consultation shall be achieved through standing committees. These committees shall be composed of all the eligible members of the Department, or of eligible members elected by the eligible members of the Department. Members of faculty from outside the Department may be added to the standing committee when the number of eligible members (not including the Head) is less than three (3). These additional members shall be chosen by the eligible members of the Department and approved by the Dean.

5.05 Departmental Consultation: Letters of Reference

- a) Letters of appraisal from external referees on the quality and significance of the scholarly (including professional, and/or creative) achievements of the candidate shall be obtained when consideration is being given to:
- i) initial appointment at, or promotion to, the rank of Associate Professor or Professor;
 - ii) tenure; or
 - iii) reappointment, when the departmental standing committee considers that it, or the Head considers that he or she, may recommend denial of reappointment, and a deficiency in scholarly work is a reason.

For purposes of clarification, in the case of promotion to Senior Instructor, letters of appraisal do not need to be from external referees.

- b) The Head shall solicit letters of appraisal from four referees, of whom at least two shall be taken from a list of names supplied by the candidate. If additional referees are required at any time, the number selected from the list supplied by the candidate shall never be less than the number otherwise selected. If additional referees are required the candidate shall, if need be, provide additional names so that there shall always be one more referee on the candidate's list than the number of referees to be selected from the list.
- c) Before selecting prospective referees for consideration the Head shall consult with the departmental standing committee about these referees.

5.06 Departmental Committee: Meetings

- a) Consultation shall be conducted according to procedures agreed upon between the Head and the eligible members of the Department and approved by the Dean. The Head shall ensure that each faculty member in the Department is informed of the agreed procedures. The Dean shall collect and maintain an open file of all such procedures.
- b) Consultation shall include consideration of all relevant information, including any information submitted by the candidate as provided for in 5.02(b)(i) or 5.03 above, at formal meetings.
- c) Members of the departmental standing committee who cannot participate in the consultations may submit opinions in writing to the committee.
- d) The Head shall chair the departmental standing committee but shall not vote.
- e) Normally, the only material which will be considered is material that has been obtained following required or other recognized procedures. Material which will not normally be considered includes material solicited by the candidate and unsolicited material such as letters from third parties, faculty members who are not official appraisers, or students. If any material that would normally not be taken into account is considered and it is not supportive of the candidate, the contents of the material shall be revealed to the candidate. The candidate shall be given a reasonable opportunity to rebut or explain the contents, and this rebuttal or explanation shall be added to the file.
- f) When serious concerns about the candidacy arise in the departmental standing committee, the Head shall inform the candidate of that fact and the reasons therefore with sufficient particularity to enable the candidate to have a meaningful opportunity to respond either orally or in writing at the option of the committee and to introduce further relevant evidence. The candidate shall be provided with a summary of the referees' opinions, the summary to be prepared by a member of the departmental committee selected by the committee. The summary shall be prepared in such a way that the identities of the referees are not disclosed.
- g) The recommendation of the departmental standing committee shall be that of a majority.

5.07 Head and the Department Recommendations

 - i) the Head's recommendation with the basis for it;

 - iii) letters of appraisal from external referees;

- iv) unsolicited information from faculty members or students that qualifies for consideration under Article 5.06(e); and
 - v) information submitted by the candidate pursuant to Article 5.02(b)(i) or 5.03.

Where the Head's recommendation is negative but that of the standing committee is positive the Head shall also provide detailed and specific reasons for the positive recommendation.
- c) The Head may provide detailed and specific reasons by giving to the candidate a copy of the recommendation being forwarded to the Dean but if that is done the recommendations shall be modified to the extent necessary to protect the confidentiality required under Article 5.01(d) and to protect the identity of referees.
- d) The candidate shall be invited to make a timely response, which shall be added to the file pursuant to Article 5.03.

5.10 Review by the Dean

- a) The Dean shall review the recommendations received from the Head to ensure that proper procedures have been followed, that all relevant material has been considered, and that recommendations made are consistent with the evidence presented.
- b) In the case of recommendations concerning tenure, promotion, or reappointment (when the Dean is considering not recommending in favour of reappointment) the Dean shall consult with an advisory committee. In the case of other recommendations the Dean may consult with an advisory committee.
- c) The advisory committee shall be composed of tenured full professors, one-half of whom shall be elected by the faculty, and one-half of whom shall be selected by the Dean. Heads who are tenured full professors shall be eligible for selection by the Dean. In selecting members of the committee the Dean, having regard to the members who have been elected, shall take into account the need for representation of disciplines within the Faculty, including emerging disciplines and multi-disciplinary activities, and the need to maintain gender balance.
- d) The Dean may request further information from the Head and the departmental standing committee, and may also obtain such further information as is deemed appropriate.
- e) The Dean, after considering the advice of the advisory committee, (i) may refer the case back to the Head and the departmental standing committee for reconsideration; or (ii) make a recommendation to the President pursuant to 5.11.

5.11 Dean: Recommendation to the President

reasons in writing to the candidate including the respect in which he or she is deemed to have failed to satisfy the applicable criteria.

- c) The Dean may provide detailed and specific reasons by giving the candidate a copy of the Dean's recommendation to the President but if that is done the recommendation shall be modified to the extent necessary to protect the confidentiality under Article 5.01(d) and to protect the identity of referees.
- d) The candidate shall be asked to make a timely written response, which shall be added to the file pursuant to Article 5.03.

5.13 Dean: Informing the Head and Department

If the Dean's recommendation is not in accord with the recommendation of either the Head or the departmental standing committee, the Dean shall inform the Head of this fact and the reasons for it and the Head shall inform the members of the departmental standing committee.

5.14 Review by President

- a) All recommendations to the President concerning initial appointments at or promotions to the rank of Senior Instructor, Associate Professor, Professor, or Professor of Teaching, or concerning tenure decisions, shall be reviewed by the Senior Appointments Committee which is a standing advisory committee established by and making recommendations to the President. - e) Given that the University strives to foster excellence in teaching, scholarly activity and service, the mandate of all involved in a reappointment, tenure and/or promotion review is to make recommendations which ultimately advise the President on individual cases, in accordance with:
 - i) the provisions of this agreement;
 - ii) concepts of procedural fairness in the university context;
 - iii) consideration of appropriate standards of excellence across and within faculties and discipline.

In addition to considering the merits of the candidate's teaching, scholarly activity and service, the President will also consider all relevant contextual factors.

5.15 President: Informing the Candidate

- a) Except in the case of initial appointments, the President shall, at the time a decision is made on whether or not a recommendation is to be forwarded to the Board of Governors respecting a candidate, inform the candidate in writing of that decision with a copy to the Faculty Association.
- b) If the consideration for reappointment, tenure or promotion results in a positive recommendation by the President, the reappointment, tenure or promotion shall take effect on July 1st following the calendar year in which the review was initiated.

The file shall be modified to the extent necessary to protect the confidentiality required under Article 5.01(d) and to protect the identity of referees.

Article 6. Policy Respecting Faculty with Familial Ties

- 6.01 It is the policy of the University to treat all individuals equally with respect to appointment, salary, benefits, and rank. No bar to appointment or promotion will be offered because of

familial ties. Before employing a member of the immediate family of the Head or any other member of the Department in any capacity, however, the Head shall bring the case to the attention of the Dean of the Faculty and the President in writing. Similarly, a Dean wishing to employ a member of his/her immediate family in any capacity shall inform the President in writing.

- Less than Five Years of Consecutive Service 1 month
- Five or More Years of Consecutive Service 2 months.

Article 8. Appointments Involving Salaries from Non-University Funds

- 8.01 Persons on research appointments are normally appointed specifically as research workers with appropriate titles such as Research Associate. Such appointments do not lead to a tenured appointment. Persons who undertake teaching duties and who are supported by non-University funds may be given an honorary academic title.
- 8.02 a) Academic appointments other than those in Article 8.01 above may be funded jointly by the University and some other body such as an affiliated teaching hospital, or in some cases may be funded entirely from extra-mural sources such as a national granting agency. Persons holding such appointments shall be subject to the same procedures and criteria for initial appointment, reappointment, tenured appointment, and promotion that are applied to those holding appointments funded solely by the University. The award of a tenured appointment, however, shall be for the term of the grant or contract and shall be termed “tenure (grant).”
- b) The appointment notices received by faculty members supported by non-university funds in whole or in part shall state clearly the terms of appointment, and that the source of the salary funds is other than the University budget.
- c) A faculty member who has a tenured appointment (grant) may, with the agreement of the University, be given a full-time or part-time appointment without term.

- e) If an appointment supported by non-university funds in whole or in part is not to be renewed or is to be terminated for any reason other than the termination of non-university funds, the criteria and procedures applicable to appointments funded solely by the University shall govern.

Article 9. Periodic Review for Promotion

For post-tenure promotion reviews, the following will apply:

- f) If a post-tenure promotion review is conducted, a review will not be conducted in the following year.
- g) A review that proceeds past the stage of the Head requesting external letters of reference will be deemed to be a periodic review for the purpose of determining the timing of the next review.

Article 10. Disciplinary Measures

10.01 Definitions:

The President and the faculty member concerned shall be entitled to bring advisors to this meeting. The Chair of the Faculty Association’s Member Services & Grievance Committee or the Chair’s representative shall attend the meeting.

If, following this meeting, the President decides to proceed with termination for cause or with the suspension for cause, the President shall inform the Association and the faculty member in writing of the termination or suspension.

PART 5: CONDITIONS OF APPOINTMENT FOR LIBRARIANS

The University of British Columbia and the Faculty Association of the University of British Columbia have agreed on the following conditions of appointment for librarians at The University of British Columbia.

Article 1. Interpretation

1.01 For the purpose of Part 5: *Conditions of Appointment for Librarians*

“Librarian” means a person appointed as a librarian or an archivist;

“Supervising librarian” means the administrative librarian to whom a librarian primarily reports.

Article 2. Types of Appointment

2.01 Appointments may be (a) term appointments or (b) confirmed appointments. The term of every appointment and the termination date shall be clearly stated on the appointment notice received by the appointee.

2.02 Term Appointments

Term appointments are of the following two kinds:

a) Term Appointments Without Review

Appointments without review are full-time or part-time appointments for a specified limited term. There is no implication that the appointee will be considered for any further appointment of this or any other kind on the expiration of the specified term. Full-time appointments without review may not be held for more than three (3) consecutive years. Term appointments without review are normally for one (1) year. Each year the University will provide to the Association a list of those holding term appointments without review.

b) Probationary Appointments

i) Probationary appointments are full-time appointments that, although being for a specified term, carry the implication that the appointee will be considered for further appointment in accordance with the procedures and criteria described below. A probationary appointment is normally for a three-year term.

ii) Any librarian holding a probationary appointment is eligible for consideration for a confirmed appointment. By the end of an appointee’s third year of continuous service in a probationary appointment, a recommendation shall be made to the President by the University Librarian to grant or deny a confirmed appointment. An early recommendation to grant a confirmed appointment may be made if the

appointee has had academic, professional, or other comparable experience before being appointed by the University.

- iii) A decision not to grant a confirmed appointment will normally be followed by a one year terminal appointment.
- iv) No librarian will acquire a confirmed appointment by reason only of holding a probationary appointment that extends beyond the third year of continuous service.

2.03 Confirmed appointments

Confirmed appointments are full-time appointments except when the University and a librarian have agreed to change such an appointment from full-time to part-time. They cannot be terminated before normal retirement age except in accordance with Article 9 below, or for financial exigency or redundancy. Termination for financial exigency or redundancy shall be in accordance with any applicable criteria and procedures established under Article 12 of Part 4: *Conditions of Appointment for Faculty*. Until such criteria and procedures are established Part 9: *Termination or Non-Renewal of Faculty Appointments for Financial Exigency* as amended shall apply to librarians.

2.04 Appointments involving salaries from non-University funds

- a) Appointments may be funded jointly by the University and some other body, or in some cases may be funded entirely from non-University sources. Librarians holding such appointments shall be subject to the same procedures and criteria for initial appointment and confirmed appointment that are applied to those holding appointments funded solely by the University. The award of a confirmed appointment, however, shall be for the term of the grant or contract and shall be termed “confirmed (grant)”.
- b) The appointment notices for those supported by non-University funds in whole or in part shall state clearly the terms of appointment and indicate which accounts are non-University funds and the amounts paid from those accounts.
- c) A librarian who has a confirmed full-time appointment (grant) may, with the agreement of the University, be given a full- or part-time confirmed appointment.
- d) A librarian holding a probationary appointment or a confirmed appointment (grant) and supported by non-University funds in whole or in part shall, subject to funds being available, be given a minimum notice of one year if the appointment is to be terminated as a result of the termination of the non-University funds from which the librarian’s salary is paid.
- e) If an appointment supported by non-University funds in whole or in part is not to be renewed or is to be terminated for any reason other than the termination of non-University funds, the criteria and procedures applicable to appointments funded solely by the University shall govern.

Article 3 Criteria for Appointments

- 3.01 An initial appointment as a librarian requires at least an undergraduate degree from a university of recognized standing and a degree from an accredited school of library, archival or information science, or alternative qualifications accepted by the University for holding a professional position in the Library. It may also require appropriate experience and knowledge of a particular subject.
- 3.02 Candidates for confirmed appointment are judged on:
- a) performance in their core assigned responsibilities and
 - b) contributions to the University, to the profession, to scholarship (including the attainment of advanced degrees in librarianship or other pertinent disciplines) and to the community as defined in Articles 4.03 and 4.04 of Part 4: *Conditions of Appointment for Faculty*. However, such contributions cannot compensate for deficiencies in performance of their core assigned responsibilities.
- 3.03 Judgments of an individual shall be made objectively.
- 3.04 Confirmed appointments are granted to individuals who have maintained a high standard of performance in meeting the criteria set out of Article 3.02 (a) and (b) above and show promise of continuing to do so. The decision to grant such an appointment may take into account the interest of the University in maintaining academic strength and balance, but no librarian holding a probationary appointment shall be denied a confirmed appointment on the ground the University has established quotas for those holding confirmed appointments.

Article 4. Procedures for Appointments - General Provisions

- 4.01 All appointments are made by the Board of Governors upon the recommendation of the President.
- 4.02 Where a Selection Committee is to be appointed the Committee shall include at least five librarians who hold confirmed appointments, including two administrative librarians and two general librarians and, who if practicable, work in the area in which the librarian is, or will be, employed. - c) When serious concerns arise during the review process to be conducted under paragraph (a) above, the Head shall, before any final decision is reached by the Committee, inform the candidate of that fact and the reasons therefore with sufficient particularity to enable the candidate to have a meaningful opportunity to respond orally or in writing and to introduce further relevant evidence. The Head shall provide the candidate with a summary of the letters of appraisal prepared in such a way as to preserve the anonymity of those who wrote the letters of appraisal.

LETTER OF UNDERSTANDING #1
BETWEEN
THE UNIVERSITY OF BRITISH COLUMBIA
AND
THE FACULTY ASSOCIATION OF
THE UNIVERSITY OF BRITISH COLUMBIA

Re: Time between December 25 and January 1

This language is based on the understanding that operational requirements of the unit, branch or department take precedent over the proposed language as follows:

Librarians are to treat the days between Christmas and New Year's Day as work days that may be taken as vacation or time off without pay. Librarians may work at home provided they inform their supervisor. Informing is not asking permission, rather it is a professional courtesy. Individual messaging must reflect their ability to be available to address work should it be required.

LETTER OF UNDERSTANDING #2
BETWEEN
THE UNIVERSITY OF BRITISH COLUMBIA
AND
THE FACULTY ASSOCIATION OF
THE UNIVERSITY OF BRITISH COLUMBIA

RE: Term Administrative Appointments for New Heads

Terms and Conditions:

1. For the duration of the collective agreement, the University will appoint any new Heads in the Library using term Administrative appointments. All such appointments will be made in accordance with the Procedures for the Appointment and Reappointment of Heads in the UBC Library.
2. Both Administrative and General Librarians will be eligible to apply for such appointments. General Librarians who step into a Term Administrative appointment will have their General Librarian appointment put on “leave” status, and will receive a temporary Administrative Librarian appointment for the length of their Term Administrative appointment. They will return to “active” status in their General Librarian appointment at the end of their Administrative term or terms.
3. The terms and conditions of the Head’s appointment, including the functions and responsibilities delegated to the Head, will be set out in the Library’s written offer of appointment or reappointment.
4. Heads may be appointed, depending on the Library’s operational needs, for terms of up to five (5) years. Appointments may be renewed after a review process.
5. Such appointments will carry with them an entitlement to an administrative stipend. The amount of the stipend will be set out in the Library’s written offer of appointment.
6. Librarians hired as Administrative Librarians by the University prior to March 31, 2012 will not normally be eligible to receive an administrative stipend because their salary levels already compensate them for administrative duties. However, where it is clearly demonstrated that an Administrative Librarian’s base salary would not fairly compensate him or her for the scope of duties required by a particular new Head position, he or she will be eligible for all or part of the stipend associated with that position.
7. An appointment as an Acting Head for a period of three (3) months or more will carry an administrative stipend. The amount of the stipend will be set out in the Library’s written

offer of appointment. Acting Head appointments of less than three (3) months will carry no administrative stipend. Time served in an Acting Head appointment will continue to accrue as time served for the purpose of study leave eligibility.

- ii) Any person holding an appointment with review is eligible for a confirmed appointment.
- iii) By the end of an appointee's fifth year of continuous service in an appointment with review a recommendation must be made to the President by the Executive Director either to grant a confirmed appointment or not to renew the appointment. - iv) No person will acquire a confirmed appointment by reason only of holding an appointment with review that extends beyond the fifth year of continuous service.

2.03 Confirmed Appointments

Confirmed appointments are full-time appointments except when the University and a program director have agreed to change such an appointment from full-time to part-time. They cannot be terminated before normal retirement age except in accordance with Article 9 below, or for financial exigency or redundancy.

Article 3. Criteria for Appointments

- 3.01 Program director positions combine both academic and administrative functions. Appointment as a program director requires an appropriate university degree and relevant experience.

- 3.04 Confirmed appointments are granted to individuals who have maintained a high standard of performance in their professional work and show promise of continuing to do so. Such performance includes their capacity to maintain program standards of high quality, and to develop and maintain public or professional interest. The decision to grant a confirmed appointment will take into account the interest of Continuing Studies and the University in maintaining strength and balance within Continuing Studies and in the University.
- 3.05 Judgments of an individual should be made objectively.

Article 4. Procedures for Appointments

- 4.01 Appointments are made by the Board of Governors upon the recommendation of the President.

PART 7: CONDITIONS OF APPOINTMENT FOR SESSIONAL FACULTY MEMBERS

Preamble

The University and the Faculty Association recognize the important contribution of Sessional Faculty Members to the University in the achievement of its purposes, and, specifically, its teaching mission.

Sessional Faculty Members have a right to fair terms and conditions of employment within the many distinct administrative structures of the University community.

The University and the Faculty Association recognize that Sessional Faculty Appointments are determined by institutional realities which affect the availability of Sessional Faculty Appointments.

Article 1. Interpretation

- 1.01 "Sessional Faculty Member" means a Faculty Member appointed by the Board of Governors to teach credit course(s), full-time or part-time, or to perform related duties such as course coordination or laboratory supervision, for a period of less than twelve (12) months, including sessional faculty members in the Centre for Teaching Learning and Technology (CTLT).
- 1.02 "Part-time" means an appointment where the duties of the appointee are less than full-time, including teaching any credit course(s).
- 1.03 "Full-time" will be defined Faculty by Faculty, as is given by the current pattern in different types of academic activities, although normally the primary focus is teaching.
- 1.04 Teaching performance" includes performance in all credit courses in which the Sessional Faculty Member is hired to teach.

Article 2. Appointment Process

- 2.01 A description of the appointment process as referred to in Article 9 shall be drawn up by each Department. This description will provide for the need to make emergency appointments, and for the need to change appointments by substituting or adding teaching assignments or other duties. This description will be posted in the Department and will be kept on file in the Dean's Office with a copy to the Faculty Association. A copy of the description shall be given to an applicant who requests it.
- 2.02 New positions will be posted in Departments for at least two (2) weeks. A copy of all postings shall be sent to the Faculty Association. Vacancies or changes in existing appointments arising as the result of unforeseeable events do not have to be posted.

- 2.03 The principal duties of an appointee will be set out in writing, e.g., (1) course(s) to be taught; (2) coordination responsibilities; (3) lab responsibilities. If the appointment is part-time, the percentage of that appointment in relation to the duties of a full-time appointment will be clearly stated. Part-time percent shall be calculated as a percentage of full-time employment for the period of the Sessional Faculty Member's appointment only, that is, not as a fraction of the whole winter session or the full year.
- 2.04 Any work required outside the period of appointment will be clearly stated in the appointment letter and remuneration for the work will be provided for. If the final exam is scheduled within three (3) days of the end of the appointment or outside the appointment period, an additional \$250 shall be paid for marking.
- 2.05 A copy of this Agreement shall be supplied to the Sessional Faculty Member with the appointment letter.
- 2.06 Candidates for initial appointment at the rank of Sessional Lecturer are judged principally on qualifications, performance in teaching, and experience.

Article 3. Reappointment

- 3.01 As a general principle, Sessional Faculty Members have the right to reappointment in accordance with Part 7: *Conditions of Appointment for Sessional Faculty Members* and subject to Article 10.1.
- 3.02 Candidates for reappointment are judged principally on performance in teaching, based on formal evaluation of their performance in all of the courses taught in the previous twelve (12) months. All such evaluations shall be consistent with the criteria and procedures outlined in Articles 7 and 8.

Article 4. Assessment of Length of Service

- 4.01 Length of service to the University shall be recalculated at the end of every appointment. Length of service to the University includes all credit courses taught. Length of service shall be calculated on the basis set out in the *Letter of Understanding re Calculation of Length of Service* dated January 22, 2004 (Appendix A).
- 4.02 For the purpose of calculating full-time equivalent months of service, each course taught outside of the regular winter session will be given the same weight as it is given when taught during the regular winter session.
- 4.03 Sessional Faculty Members whose duties fall to less than 50% of a full-time Sessional Faculty Member due to lack of funding or non-scheduling or cancellation of a course or section offering (as per 10.1(b) or (c)) shall maintain member rights as if holding an appointment at or above 50%, including benefits, for a period of twenty-four (24) months commencing from the date at which the workload fell below 50%.

- 4.04 Subject to Article 10.7, Sessional Faculty Members who are not offered a further appointment will maintain their accumulated length of service to the University for a period of twenty-four months. The twenty-four (24) month recall period will be extended only by the period of maternity leave or certified illness. During that period the University must post position(s)/course(s) that come available and provide copies to the Faculty Association. Other factors being relatively equal, length of service shall be the determining factor in assigning the position(s)/ course(s).
- 4.05 The University shall provide a Sessional Faculty Member with an updated report of his /her accumulated service to the University at the beginning of each appointment, with a copy to the Faculty Association.

Article 5. Continuing Appointments

- 5.01 a) When a Sessional Faculty Member's appointments cumulatively equal three (3) years (thirty-six months) of full-time appointment over a period of six (6) or fewer consecutive academic years (July to June) he or she is a Sessional Faculty Member with a Continuing Appointment.
- b) The Sessional Faculty Member's Continuing Appointment is effective on the completion of 36 months of full-time equivalent service.
- c) The University shall extend the periods in paragraphs (a) and (b) to accommodate maternity leaves. The Parties will resolve individual cases of temporary, emotional, or physical incapacity in accordance with the usual practice.
- 5.02 A Sessional Faculty Member with a Continuing Appointment has a right to:
- a) reappointment for a period of time equal to the same length of time and on the same basis, full or part-time, as the appointment he or she held in the winter session of the academic year (July to June) in which the Continuing Appointment becomes effective, subject to Article 10.1; and
- b) assignment to a course load in any academic year at least equal to the percentage of full time equivalent upon which his/her Continuing Appointment is based, subject to Articles 6.1 and 10.1.

This Article does not preclude the University from changing course assignments or other duties, or the terms in which teaching is assigned. Any increases in workload shall be subject to Article 2.3 of this Agreement.

- 5.03 Notwithstanding Article 5.2(a), where a Sessional Faculty Member's course assignment at the time he/she achieves a Continuing Appointment is greater than a ten percent decrease from his or her average course assignment in the preceding two years, the University shall calculate the Continuing Appointment on the basis of that average.

- 5.04 If, in any year, due to Articles 10.1(b) or (c), the University assigns a Sessional Faculty Member with a Continuing Appointment to a course load less than the level to which he or she is entitled pursuant to Article 5.2(b) then his/her course load entitlement in the following year shall not be affected.
- 5.05 A Sessional Faculty Member with a Continuing Appointment may, from time to time, have additional course assignments but such additional course assignments shall not affect the nature of the Continuing Appointment.
- 5.06 Notwithstanding the provisions of Article 5.5, a review of each Continuing Appointment shall be conducted every three (3) years. The purpose of the review is to determine whether, on the basis of an emerging pattern of course assignment, the percentage of time of the Continuing Appointment should be increased or decreased.

Article 6. Assignments

- 6.01 In making Sessional course assignments, the University shall consider qualifications to perform the required work, quality and effectiveness of work performed and length of service. All evaluations of work performed shall be consistent with the criteria and procedures outlined in Articles 7 and 8 of this Agreement. Length of service shall be the determining factor only where the other factors are relatively equal.
- 6.02 Subject to Article 6.1, the University shall distribute available course assignments to Sessional Faculty Members with Continuing Appointments:
- a) in accordance with their individual entitlement as determined by Article 5.2 (b), and
 - b) in priority to other Sessional Faculty Members.
- 6.03 In any circumstance in which a Sessional Faculty Member with a greater than 50% appointment is a candidate for consideration for a course assignment, or is one of a number of candidates, some of whom have less than a 50% appointment, the consultation process set out in Article 9 shall apply. The consultation process set out in Article 9 shall not apply when all of the candidates for consideration have less than a 50% appointment.
- 6.04 Sessional Faculty Members with less than full time appointments may apply for additional course assignments as they become available and they will receive first consideration for such teaching course assignments subject to the criteria in Article 6.1.
- 6.05 Departments shall include Sessional Faculty Members with Continuing Appointments in existing departmental processes used to determine course loads and course assignments for the upcoming academic year in the same way and at the same time as tenured and tenure-track faculty are included in those processes. The Department Head has discretion in making course assignments.

Article 7. Evaluation of Initial Appointment

- 7.01 a) If, during a Sessional Faculty Member's initial appointment serious concerns are raised with respect to his/her teaching performance the Department Head, or Delegate, shall within 30 days from the date the concern was raised investigate the concerns and may make recommendations for remediation and reassessment.
- b) If the Department Head or Delegate makes recommendations for remediation and reassessment, the Department Head shall re-evaluate the Sessional Faculty Member within 30 days of the making of the recommendation, and in his/her discretion, may decide whether or not to reappoint the Sessional Faculty Member.
- c) If, upon the completion of the investigation, the Department Head or Delegate does not make recommendations for remediation and reassessment, the Department Head, in his/her discretion, shall determine whether or not to reappoint the Sessional Faculty Member, and shall so decide within 30 days from the date the concern was raised.
- 7.02 a) If within 30 days of the completion of a Sessional Faculty Member's initial appointment, serious concerns are raised with respect to his/her teaching performance, the Department Head, or delegate, shall investigate the concerns.
- b) Upon the completion of the investigation in paragraph (a), the Department Head, in his/her discretion, shall determine whether or not to reappoint the Sessional Faculty Member, and shall so decide within 30 days from the date the concerns were raised.
- 7.03 In exercising his/her discretion as contemplated within this paragraph, the Department Head or Delegate may consult and carry out such evaluation activities as he or she considers helpful.

Article 8. Performance Evaluation

- 8.01 The performance of a Sessional Faculty Member must be evaluated on a regular basis.
- 8.02 An individual's entire performance of assignment duties as per Article 2.3 shall be assessed. Evaluation of teaching shall be based on the effectiveness rather than the popularity of the instructor, as indicated by command over subject matter, familiarity with recent developments in the field, preparedness, presentation, accessibility to students and influence on the intellectual and scholarly development of students. The methods of teaching evaluation may vary; they may include student opinion, assessment by Faculty, including other Sessional Faculty Members, of performance in University lectures, course material and examinations, and other relevant considerations. When the opinions of students or of colleagues are sought, this shall be done through formal procedures. Decisions not to reappoint a Sessional Faculty Member cannot be based exclusively on student evaluations.
- 8.03 In all cases of evaluation of performance, appointment or reappointment, judgements of an

individual shall be made objectively.

- 8.04 Following evaluation of a Sessional Faculty Member's initial appointment, the Department shall continue to evaluate him or her on a regular basis, using the procedures for evaluation of Faculty teaching which prevail in the Department in question.
- 8.05 The Department Head shall review all of the teaching evaluations on an annual basis, and at the request of the Sessional Faculty Member, meet with him/her. The Department Head shall determine whether performance is of a sufficiently high standard to warrant reappointment.

Article 9. Consultation Process at the Departmental Level Regarding Appointment and Reappointment

- 9.01 The Department Head shall consult formally at meetings convened for that purpose with eligible members of the Department in order to ascertain their views and to obtain their recommendation concerning the appointment of all Sessional Faculty and the reappointment of Sessional Faculty with appointments of at least 50% of full time.
- 9.02 Consultation shall be achieved through standing committees. Each committee shall be a sub-committee consisting of not less than 3 members of the Department's Promotion and Tenure Committee. Representation from Sessional Faculty may be added to these committees. The participation of Sessional Faculty in the affairs and activities of the Department is solely within the prerogative of the Department and the practices and procedures it has established and may determine. Nothing in this Agreement precludes or entitles this participation other than as set out in Article 6.5.
- 9.03 Consultation shall be conducted according to procedures agreed upon between the Head and the members of the Department and approved by the Dean. The Head shall ensure that each Sessional Faculty Member with a Sessional Appointment in the Department is informed of the agreed procedures. The Dean shall collect and maintain an open file of all such procedures, with a copy to the Faculty Association.
- 9.04 Consultation shall include consideration of all relevant information, including any relevant information submitted by the candidate, at formal meetings. The recommendation of the Departmental Standing Committee shall be that of the majority.
- 9.05 Decisions made by the Department Heads, in consultation with the Departmental Standing Committee, shall be communicated to the candidate in a timely fashion.

Article 10. Non-Renewal of Appointment

- 10.01 The only reasons for non-renewal of appointment of a Sessional Faculty Member shall be (a) teaching performance; or (b) lack of funding; or (c) discontinuance or non-scheduling of a course or section of a course; or (d) for just cause as is generally recognized at law.

- 10.02 Where a Sessional Faculty Member is not reappointed due to unsatisfactory performance, the Department will immediately notify him/her of that fact in writing, with a copy to the Faculty Association. Any denial of reappointment shall be accompanied by full reasons for the denial, demonstrating that the applicable criteria were properly considered.
- 10.03 A Sessional Faculty Member, following such notification, may request a meeting with the Department Head to discuss the reasons for the decision and to place additional information before the Head. Such a meeting will be held within seven (7) working days of the request. The Sessional Faculty Member is entitled to Faculty Association representation at that meeting if he/she wishes.
- 10.04 If a Sessional Faculty Member wishes to file a grievance, the appropriate procedures, as set out in Article 21 of Part 1: *Framework for Collective Bargaining* shall be followed, commencing at the level outlined in Article 21.04. Where the Parties mutually agree, grievances under this Article may be submitted directly to Expedited Arbitration under Article 14.
- 10.05 A Sessional Faculty Member whose sessional appointment is not to be renewed shall be given at least one month's notice and shall fall under the provisions of Article 4.4. A Sessional Faculty Member whose assigned course is discontinued or cancelled shall be given at least one month's notice or the sum of \$300.
- 10.06 Notice of non-renewal will not accompany the letter of appointment.
- 10.07 A Sessional Faculty Member with a Continuing Appointment whose appointment is not to be renewed as per Article 10.1 (b) or (c) shall, at his/her election, retain the right to recall as outlined in Article 4.4, or receive a payment based on one (1) month's salary for each year of full-time equivalent service.

Article 11. Termination of Sessional Appointments

- 11.01 A Sessional Faculty Member may only be terminated for just and reasonable cause (see Article 10, in Part 4: *Conditions of Appointment for Faculty*).

Article 12. Eligibility for Other Appointments

- 12.01 A Sessional Faculty Member may present his/her credentials to the Department Head at any time for consideration for appointment to a 12-month Lecturer position.
- 12.02 a) In any circumstance in which the opportunity exists to create an additional 12-month Lecturer position, or a vacancy in such a position arises, existing departmental Sessional Faculty Members shall be given notice and an opportunity to apply for the position.
- b) The Department Head has the discretion, exercisable at any time in the process, as to whether the appointment shall be made from those candidates who apply internally, or

whether the position is to be posted to invite application by, and consideration of, external candidates (and in the event of a posting, the factors considered shall be applied on the same basis as set out in Article 12.3).

- 12.03 Sessional Faculty Members with Continuing Appointments may, on application, be considered for any other appointments which may be made from time to time. In applying for positions at the rank of Instructor, the Sessional Faculty Member's qualifications, demonstrated performance and length of service will be considered. Length of service shall be the determining factor in these appointments only where other factors are relatively equal.

Article 13. Leave of Absence Without Pay or Benefits

- 13.01 A Sessional Faculty Member with a Continuing Appointment may apply in writing to the Department Head or Equivalent for a leave of absence without pay or benefits. Such applications must have a start date and end date that coincide with an academic term, and shall not normally be for a period exceeding one academic year. Extensions of leave up to a further period of one academic year may be applied for in writing within a reasonable period of time prior to the expiry of the initial leave.
- 13.02 Sessional Faculty Members on leave shall maintain their rights and length of service under this Agreement for the duration of the leave. They may arrange to maintain benefits coverage at their own expense. Such leaves must be approved by both the Department and the Faculty, who shall apply their discretion in a reasonable manner.

Article 14. Expedited Grievance Procedure/Expedited Arbitration

- 14.01 Issues subject to expedited grievance procedure are (1) any dispute over qualifications to teach a course, (2) any dispute over determination of length of service, (3) any dispute concerning benefits, and (4) any dispute over placement on a salary scale.
- 14.02 Grievance hearings shall be scheduled within two (2) weeks of the notification to the Director of Faculty Relation or Human Resources (or designate).
- 14.03 The location of the hearings is to be agreed by the Parties.
- 14.04 The Parties will each prepare and submit to the Arbitrator a two (2) page summary of the facts, issues in dispute and proposed resolution of the grievance.
- 14.05 The Parties may make oral submissions, but each party's submission shall be limited to 30 minutes. The Parties agree to make limited use of authorities during their oral submissions.
- 14.06 Prior to rendering a decision, the Arbitrator may:
- a) require the production of documents he/she deems relevant to the grievance;

- b) examine any witnesses he/she deems relevant to the grievance;
- c) exercise authority over matters listed in 14.1 of this Agreement;
- d) assist the Parties in mediating a resolution to the grievance. Where mediation fails, or is not appropriate, a decision shall be rendered as contemplated herein.

- 14.07 The Arbitrator shall render a decision by selecting either of the proposed resolutions submitted by the Parties, or by fashioning a resolution that he/she considers reasonable, just, and equitable in the circumstances. The decision of the Arbitrator shall be final and binding on both Parties.
- 14.08 The decision of the Arbitrator may be rendered orally at the conclusion of the hearing or in writing within two (2) working days of the hearing. Any written decision shall be limited to two (2) pages.
- 14.09 All decisions of the Arbitrator are to be limited in application to that particular dispute and are without prejudice. These decisions shall have no precedential value and shall not be referred to by either party in any subsequent proceeding.
- 14.10 The Arbitrator shall be drawn from a panel of three (3) people whose appointment shall be by agreement of the Faculty Association and the University.

Article 15. Procedures for the Library, Institutes, Schools and Faculties without Formal Departments

- 15.01 Institutes and similar Academic Units shall follow the procedures consistent with those for Departments.
- 15.02 Schools and similar Academic Units shall follow the procedures consistent with those for Departments or Faculties, depending on what is appropriate in the circumstance.
- 15.03 Faculties not having a formal Departmental organization shall follow similar procedures.

Article 16. Application

- 16.01 Vacation pay will be paid at 4% of gross earnings and will be paid with the salary payment each payday. After five (5) consecutive years of full-time equivalent service, vacation pay shall be increased to 6% of gross earnings. The salary to be paid and the vacation pay will be shown separately on the letter of appointment.

16.02 Sessional Faculty holding less than a 50% appointment will receive the following benefits:

- a) Employee and Family Assistance Plan; and
- b) Sick Leave: incidental sick leave up to a maximum of 5 days per 4- month term. Casual absences in which the class/es are covered by another Faculty Member or where a class can be rescheduled will not be considered sick leave.

At the option of the employee, Sessional Faculty holding less than a 50% appointment can apply for:

- c) Medical Services Plan and/ or Extended Health benefits; and

APPENDIX A

**LETTER OF UNDERSTANDING
BETWEEN
THE UNIVERSITY OF BRITISH COLUMBIA
AND
FACULTY ASSOCIATION
OF THE UNIVERSITY OF BRITISH COLUMBIA**

*Agreement on Conditions of Appointment for
Sessional Faculty Members*

Calculation of Length of Service

The University and the Faculty Association understand that the University's current practice with respect to the calculation of length of service for Sessional Lecturers is as follows:

The number of credits being taught by a Sessional Lecturer is compared to the "full-time load" in each Faculty to determine the full-time equivalence (FTE) in months. The following full-time loads currently exist:

Full-time load per academic term	FTE of a 3-credit course in months
6 credits	2.00
9 credits	1.33
12 credits	1.00
15 credits	0.80

Full-time equivalent months are then added together to calculate a Sessional Lecturer's length of service at the University. For example, a Sessional Lecturer who taught 6 3-credit courses in a Faculty where 9 credits per academic term was full-time would have a total of $(6 \times 1.33 =) 8$ FTE months.

The following provides the current application of length of service using FTE months only to the relevant articles in the Agreement:

Article	FTE Calculation
5. Continuing Appointments	12 FTE months = 1 year
4. Assessment of length of service	FTE months only
4.4 and 6.1 Length of service as a determining factor in reappointment	FTE months only
10.7 Non-renewal of continuing appointments	12 FTE months = 1 year
12. Eligibility for other appointments	FTE months only
1.2 Sessional Faculty in CTLT	Per student-credit as per Article 7.11 of Part 2: <i>Salaries and Economic Benefits</i>
17.3 Calculation of vacation pay	8 FTE months = 1 year
Additional Applications outside of this Agreement	
For purposes of placement on the salary scale	8 FTE months = 1 year

PART 8: REDUCED APPOINTMENTS

The University of British Columbia and the Faculty Association of the University of British Columbia have agreed on the following conditions for reduced appointments. The purpose of Part 8: *Reduced Appointments* is to describe the conditions for reduced appointments.

Article 1. Interpretation

1.01 Wherever in Part 8: *Reduced Appointments* the titles Vice President Academic and Dean are used, the reference shall include the Deputy Vice Chancellor, the Librarian and the Executive Director of Continuing Studies where the context so requires.

Article 2.

2.01 Appointment Terms

Where it is agreeable to both the University and the individual, a reduced appointment may be offered or requested, on either a continuing basis or for an agreed term to a member of the bargaining unit who holds a tenured, confirmed or continuing appointment. The duration and nature of the reduced commitment, once made, may not be changed without the agreement of both the member and the University. While members on reduced appointments do not have prior claim on or right of expectation to any other full- or part-time position at the University beyond the current appointment, they have the same rights to apply for other positions as anyone else.

2.02 Approval Process

- a) The member and the head discuss a reduction in responsibilities and if they agree, the head makes a recommendation to the Dean with a copy to the member. The recommendation contains the reasons for the reduced appointment, the precise allocation of duties that would be performed, the time in which the duties would be performed, the percentage of full-time to be worked, the appropriate reporting mechanisms, and the term of the reduced appointment.
- b) The recommendation is forwarded through the Dean, the Vice President Academic to the President, so long as each is in agreement with it. If any of the administrators listed disagree with the recommendation, written notification that the recommendation was declined is provided to the Faculty Association, head and member. The head and member are also provided with written reasons.
- c) The President, if he/she agrees with the recommendation, forwards the recommendation to the Board of Governors for approval. The decision to grant or refuse a reduced appointment lies with the University.
- d) If approved by the Board of Governors, the member and the Faculty Association are notified and the detailed recommendation is placed in the member's personnel file.

2.03 Types of Reduced Appointments

Types of arrangements for reduced appointments range from full workload for part of the year in combination with no assigned duties in the balance, to partial workload for all or part of the year. In no case is the reduced appointment to fall below 50% of full-time, calculated as a percentage of annual full-time employment.

2.04 Rank at Return to Full-time

If a transfer back to full-time employment is agreed, the rank held at the time of the transfer back to full-time will be unchanged.

Article 3.

3.01 Pro-rated Salary

A member on a reduced appointment is assigned a “base salary rate”, computed as if the member were continuing on full-time status. The “actual salary” to be paid the member shall be pro-rated from the base salary rate in direct relation to the approved reduction in duties for the reduced appointment. This pro-ration, based upon agreed responsibilities and time commitments is subject to approval by the Vice President Academic.

3.02 Salary Adjustments

All relevant salary adjustments shall be applied to the base salary rate. When considered for salary adjustments, a member on a reduced appointment is assessed on his/her actual assignments.

Article 4. Benefits

4.01 Members on reduced appointments are entitled to continue to participate in the following benefit plans:

- UBC Faculty Pension Plan: Contributions by the individual and UBC are based on actual salary paid. However, if the reduced appointment starts after the 55th birthday of a member who has at least 15 years of full-time service at UBC, both the University and the member will continue to pay contributions to the Pension Plan based on the “base salary rate”.
- Long Term Disability Benefit: Premiums and benefits are based on actual salary paid.
- Group Life Insurance: Contributions and benefits are based on actual salary paid.
- Optional Group Life Insurance, Spousal Insurance and Accidental Death/Dismemberment Insurance: There is no reduction in contributions.
- M.S.P., Extended Health, Dental Plans and Employee and Family Assistance Program: The same contributions/deductions made/taken as for full-time members.

- Sick Leave: Salary received during sick leave is based on actual salary received prior to the sick leave commencing.
- Canada Pension, Employment Insurance, Workers' Compensation: These benefits are available according to the applicable government regulations.
- Member and Dependent Tuition Waiver: Available.

Article 5. Promotion

5.01 For the purpose of assessment for promotion, the criteria are the same as for full-time appointments, but take into account the nature of the reduced appointment.

Article 6.

6.01 Faculty Association Representation

Members on reduced appointments under this Agreement are represented by the Faculty Association.

6.02 Information for the University and the Faculty Association

The University will provide a report annually on members holding appointments under this Agreement. The report will include name, department, percentage part-time, term-date of the reduced appointment if applicable, and other information as may be agreed by the Parties.

Article 7. Applicability of Agreement and Policies

7.01 Except as modified by Part 8 of this Agreement, a member on a reduced appointment has all the rights and the duties in the Agreement and UBC policies as amended.

Article 8.

8.01 Termination of Part 8: *Reduced Appointments*

This Agreement may be terminated by either party, provided one years written notice is given to the other party. If this Agreement is terminated, that termination will have no effect on members holding appointments under this Agreement; those appointments will continue to be governed as if this Agreement were in effect.

8.02 Amendments to Part 8: *Reduced Appointments*

Amendments to this Part may be made by agreement of the Parties at any time.

PART 9: TERMINATION OR NON-RENEWAL OF FACULTY APPOINTMENTS FOR FINANCIAL EXIGENCY

The University of British Columbia and the Faculty Association of The University of British Columbia,

Recognizing that the University is a community of scholars whose essential functions are the pursuit and dissemination of knowledge and understanding through research and teaching and that academic freedom is essential to carrying out these functions;

Being determined not to interfere with that academic freedom;

Considering that a financial exigency is an extraordinary set of circumstances which seriously threatens the University's ability to carry out these functions; and

Being resolved to preserve the University excellence as much as possible in the face of these circumstances;

Have agreed on the following provisions to govern the termination or non-renewal of appointments of faculty members on the ground of financial exigency:

Article 1. Financial Exigency

1.01 For the purpose of this Agreement, a "financial exigency" shall be deemed to exist when the Board of Governors has declared that the University faces a financial deficit that cannot reasonably be met without the termination of some term appointments with review or appointments without term, or without the non-renewal of some term appointments with review.

1.02 If the President is satisfied that the University faces a financial exigency, he shall consult a committee composed of the members of the Senate Budget Committee and two faculty members appointed by the Executive of the Faculty Association, this advisory committee to be called the Committee on Financial Exigency. This Committee on Financial Exigency shall be constituted within seven days of the President's requesting the President of the Faculty Association to have the necessary appointments made by the Executive.

The Committee may adopt such procedures as it deems appropriate. In the proceedings of the Committee, the ex officio members of the Senate Budget Committee shall not have the right to vote.

1.03 The Committee on Financial Exigency shall, within four (4) weeks from the date of its first meeting, advise the President in writing whether in its judgment the University faces a financial exigency.

- 1.04 In the deliberations under Article 1.02 above, the following questions inter alia should be considered:
- a) whether all reasonable reductions are being made in the areas of the University's expenditures other than bargaining unit salaries, bearing in mind the primacy of the University's academic purpose;
 - b) whether reasonable advantage is being taken of the reduction of salary commitments made possible by normal attrition, voluntary early termination of appointment, early retirement, voluntary part-time employment, reduced workload appointment, and similar means;
 - c) whether reasonable means of increasing the University's revenues have been explored;
 - d) the level of the University's accumulated surplus is appropriate; and
 - e) whether consideration has been given to seeking authority from the government to operate at a deficit.
- 1.05 The Committee on Financial Exigency shall have access to the material relating to the University's financial statements and budgets in order to decide whether the University faces a financial exigency. This material shall be sufficiently detailed to permit a reliable analysis and, without limiting the scope of the information to be made available, the Committee shall have access to:
- a) current and previous financial statements;
 - b) details of allocation of operating funds to Faculties, Departments, Schools, the Library, Continuing Studies, Institutes, other Academic Units, and non-academic departments and sectors of the University;
 - c) details of bargaining unit salaries and ages;
 - d) the number of members of the bargaining unit who will be retiring within two (2) years; and
 - e) historical data concerning resignations, retirements, deaths and leaves in the preceding five (5) years.

If the material made available under this section has not been published already, it shall be treated as confidential by the Committee.

- 1.06 In its report to the President, the Committee on Financial Exigency may specify the amount that, in its judgment, is required to meet the financial deficit and how that deficit may be met. Members of the Committee shall be free to submit minority reports.
- 1.07 Copies of the report submitted by the Committee on Financial Exigency to the President shall be made available forthwith to the Senate of the University and to the President of the Faculty Association.
- 1.08 If the Committee on Financial Exigency submits its report to the President within the four (4) weeks prescribed by Article 1.03 above, the President may forthwith recommend to the Board of Governors that it declare that a financial exigency exists, provided that his/her recommendations are in accord with the recommendations set forth in the Committee's

report. If, however, the President proposes to make recommendations to the Board that are contrary to those of the Committee, he shall not so recommend until he has informed the Secretary of the Senate of the University and the President of the Faculty Association of the proposed recommendations together with the reasons for them and either two (2) weeks therefrom have expired or a meeting of the Senate has been held, whichever is the later.

- 1.09 If the Committee on Financial Exigency fails to submit its report within the time prescribed by Article 1.03 above, the President shall not recommend to the Board of Governors that it declare that a financial exigency exists until he has informed the Secretary of the Senate of the University and the President of the Faculty Association of his/her intention so to recommend together with the reasons for the proposed recommendation and either two (2) weeks therefrom have expired or a meeting of the Senate has been held, whichever is the later.
- 1.10 The President shall provide to the Senate of the University and to the President of the Faculty Association a copy of his/her recommendations to the Board of Governors together with the reasons for them. The recommendations are to include a statement of the amount that is believed to be required to meet the deficit through the termination of appointments with review or without term.
- 1.11 When the Board of Governors, acting on the advice of the President who shall have followed the procedures outlined above, has declared a financial exigency the President shall inform the Senate of the University and the President of the Faculty Association of the declaration.
- 1.12 The University may, to the extent indicated by the President in his/her statement under Article 1.10 above, terminate the appointments of faculty members holding appointments with review or appointments without term or fail to renew a term appointment with review, when the Board of Governors has declared a financial exigency and the procedures set forth below have been followed.
- 1.13
 - a) If the President is satisfied that the University continues to face a financial exigency after the University has received the official notification of the operating grant allocated to it for any year succeeding that year in which a financial exigency has been declared he shall consult with a committee in accordance with the provisions of Articles 1.02 to 1.07 above and comply with Article 1.10 above.
 - b) A financial exigency shall continue until the Board of Governors declares that it is at an end.

Article 2. Prohibition of Appointments

- 2.01 From the time of the claim by the President under Article 1.02 above that he is satisfied that the University faces a financial exigency, until either he decides not to recommend the declaration of a financial exigency to the Board of Governors, or such a declaration having been made, the Board of Governors declares that the financial exigency is ended, the University shall make no faculty appointment chargeable to the operating budget of the University unless that appointment:
- a) comes within one of the categories of appointment exempted from termination or non-renewal under Article 4.05(a) below;
 - b) is made to maintain a function deemed essential to the academic program or operation of the University in accordance with any applicable procedures in Article 4.02 below;
 - c) is made to replace a faculty member who has been granted study leave where the appointment is temporary and can be justified as maintaining the integrity of a Department's or a Faculty's teaching activities as well as the practice of granting study leave; or
 - d) is to be filled by a person whose appointment is to be, or has been, terminated or not renewed under Articles 3 or 4 below.
- 2.02 Prior to authorizing an appointment with review or without term under Article 2.01(b) above, the President shall inform the President of the Faculty Association of the reasons why the proposed appointment is deemed essential.
- 2.03 It is understood that positions that become vacant during a financial exigency as a result of a decision not to renew an appointment with review or not to grant an appointment without term made under the provisions of Part 4: *Conditions of Appointment for Faculty* and not for reasons of financial exigency under this Agreement will be protected to be filled after the end of the financial exigency.

Article 3. Redundancy in a State of Financial Exigency

- 3.01 After the declaration of a state of financial exigency, the University may terminate the appointment of a faculty member holding an appointment with review or an appointment without term, or not renew the appointment of a faculty member holding a term appointment with review, on the ground of redundancy when the Senate has recommended to the Board of Governors the discontinuance of (a) the administrative unit in which the faculty member holds his/her appointment (Faculty, Department, School, Institute or Centre), or (b) a Division, or (c) a Diploma or a Degree. For the purpose of this paragraph a faculty member shall be deemed to be within the Division or the Diploma or Degree program to which the greater part of his/her teaching responsibilities as well as his/her academic qualifications have related.

- 3.02 Nothing in Part 9 of this Agreement shall be interpreted to limit the provisions of Article 2.04 of Part 4 *Conditions of Appointment for Faculty* with respect to redundancy in periods other than financial exigency.

Article 4. The Termination or Non-Renewal of Appointments

4.01 When it has been decided under Article 1 above that the termination or non-renewal of appointments is necessary, the President, having considered the advice of the Senate Budget Committee, shall decide on the extent of the budgetary reduction (in dollars) to be borne by each Faculty. He/she shall then so notify the Dean of the Faculty concerned and request him/her to recommend the names of members of his/her Faculty whose appointments should be terminated or not renewed. The Dean in consultation with an advisory committee, shall decide the amount of the budgetary reduction, if any, to be accomplished in a Department, School, Institute, Centre or Division through the termination or non-renewal of faculty appointments, and shall request the Head or Director concerned for his/her recommendations as to whose appointments should be terminated or not renewed in accordance with the provisions of Article 4.05 below, these recommendations to be submitted within a reasonable period fixed by the Dean.

4.02 a)

- i) Before responding to the Dean's request for his/her recommendations, the Head shall consult with a Departmental Committee composed of six (6) eligible members of the Department, two (2) to be appointed by the Head and four (4) to be chosen in accordance with procedures agreed upon between the Head and the eligible members of the Department and approved by the Dean, provided that the number of members of the Departmental Committee may be less than six (6) in the case of Departments with fewer than twelve (12) eligible members. The Head shall ensure that each member of the Department is informed of these procedures. For the purpose of this section, "eligible members" are those who hold appointments with review or appointments without term.
- ii) Consultation shall include consideration of all relevant information at formal meetings.
- iii) Members of the Department who are not members of the Departmental Committee may submit opinions in writing to the committee.
- iv) The Head shall chair the Departmental Committee but shall not vote.
- v) The recommendations of the Departmental Committee shall be those of a majority.
- vi) The recommendations of the Departmental Committee shall be accompanied by a record of the vote and may be accompanied by other information at the discretion of the Committee.
- vii) Confidentiality shall be respected by all those participating in consultations.

- b)
 - i) The Head shall forward to the Dean his/her own recommendations and those of the Departmental Committee.
 - ii) At the time these recommendations are forwarded to the Dean, the Head shall notify in writing each member of the Department whose name has been sent to the Dean of this recommendation and the basis for it. The member may submit to the Dean his/her own written comments on the recommendation within seven (7) days of receipt of the notification.

4.03 Having received the recommendations from the Head and all other relevant materials the Dean shall again consult an advisory committee on the selection of the faculty members whose appointments should be terminated or not renewed. He/she shall then submit his/her recommendations on the matter to the President together with the basis for them, provided that, if his/her recommendations are to include the name of a faculty member whose name was not recommended by the Head, the recommendation about that faculty member shall first be sent to the Head to be considered in accordance with the provisions of Article 4.02 above. If the recommendation of the Dean is not in accord with the recommendation of either the Head or the Departmental Committee, he shall inform the President and the Head of this difference and the basis for it. In any event, the entire recommendation and comments of the Head and the Departmental Committee shall be submitted to the President.

4.04 The Dean shall, at the time he/she sends his/her recommendations to the President, notify in writing each faculty member who is being recommended for termination or non-renewal of appointment of this recommendation and the basis for it.

4.05

- a) Before any members of a Department holding appointments with review or without term are considered for termination or non-renewal of appointment, the appointments of those faculty members holding term appointments without review shall not be renewed and the budgeted positions thus vacated shall not be filled, provided that an appointment or position may be maintained if:
 - i) it is for a salary of less than five-eighths of the minimum salary of a sessional lecturer; or
 - ii) it is deemed necessary to maintain standards of clinical teaching involving patient care; or
 - iii) the majority of the salary for it is derived from funds outside the operating grant of the University; or
 - iv) it requires special qualifications or it maintains a function deemed essential to the academic program.

The exemptions under (iv) of this section shall be considered in accordance with Articles 4.02 and 4.03 above.

- b) The decision to recommend the termination or non-renewal of appointments with review and appointments without term shall be based on performance that is significantly less than satisfactory in view of the rank of the faculty member concerned. In determining the performance of a faculty member, teaching, scholarly activity, and service, as these terms are used in Part 4 *Conditions of Appointment for Faculty*, shall be considered, provided that, in the case of an Instructor I or Senior Instructor, performance shall not be judged on scholarly activity. The assessment shall be made on performance over an extended period of time appropriate to the rank and field in question, taking particular account of recent activities. A significantly less than satisfactory performance in either teaching or scholarly activity may be counterbalanced only by excellent performance in the other. In identifying those faculty members to be recommended for termination or non-renewal of appointment under this paragraph, consideration shall first be given to those faculty members holding the rank of Assistant Professor for 10 years or longer; then to those faculty members holding the rank of Associate Professor for 12 years or longer; and finally to all other faculty members regardless of rank or years of experience.
- c) If terminations or non-renewals of appointments are necessary in addition to those made under paragraph (b) above, they shall be made in inverse order of seniority across the Department as a whole, unless the Dean, in consultation with an advisory committee, decides that none, or all, or a portion of these terminations or non-renewals are to be made within a Division of the Department, the Division being listed in the Calendar of The University of British Columbia. For the purpose of this paragraph, a faculty member shall be deemed to be teaching within a Division only if the greater part of his/her teaching responsibilities as well as his/her academic qualifications relate to that Division. A faculty member may be exempted from termination or non-renewal of appointment under this paragraph if the majority of the salary for it is derived from funds outside the operating grant of the University. Furthermore, a faculty member may be so exempted because of exceptional academic contributions relative to rank and experience, or qualifications or contributions deemed to be essential to the academic program, provided that the exemption shall be considered in accordance with Articles 4.02, 4.03, and 4.04 above.
- d) For the purposes of paragraph (c), “seniority” means years of continuous service as a faculty member of the University in appointments with review and without term. If two or more members of a Department have equal seniority as defined, then, first, higher rank and, second, greater length of service in the higher rank shall confer greater seniority. Leaves of absence with or without pay shall not be regarded as interruptions of continuous service nor do they diminish seniority.

4.06 The procedures outlined above having been complied with, the President may, subject to Article 6 below, decide to recommend to the Board of Governors the termination or non-

renewal of the appointment of a faculty member whose name has been recommended under Article 4.03 above.

- 4.07 The President shall, at the time he/she decides to recommend to the Board of Governors the termination or non-renewal of the appointment of a faculty member, inform him/her of the decision and of the basis for it.
- 4.08 In a Faculty not having formal departmental organization, the Dean shall ensure that recommendations under this section are arrived at by procedures and arrangements consistent with those for Departments and Faculties. Schools, Institutes, and Centres shall follow the procedures for Departments.

Article 5. Joint Appointments

If a faculty member holds an appointment in more than one Faculty, Department, School, Institute, or Centre, each appointment is to be regarded as a separate part-time appointment. The termination or non-renewal of one such appointment does not require the termination or non-renewal of the other.

Article 6. Review of Decisions

- 6.01 A faculty member who has been notified by the President of his/her decision to recommend to the Board of Governors the termination or non-renewal of that faculty member's appointment on the basis of Article 4.05(b) above, shall have the right to have that decision reviewed by a Review Panel before the President so recommends to the Board. If he/she desires this review, he shall so inform the President and the chair of the Arbitration Board established under Article 13 of Part 4 *Conditions of Appointment for Faculty*, in writing within seven (7) days of the receipt of the notice from the President, and at the same time he shall specify the grounds for the review. The chair of the Arbitration Board shall pass on this information to the chair of the Review Panel that is to review the President's decision, as soon as that Panel is established.
- 6.02 A Review Panel shall be composed of three faculty members holding appointments without term with the rank of Professor at The University of British Columbia. They shall be appointed by agreement between the President and the President of the Faculty Association. In the absence of this agreement within seven (7) days, the chair of a Panel shall be chosen by lot from among the members of the Arbitration Board referred to in Article 6.01 above, and one member of the Panel shall be appointed by the President, the other by the President of the Faculty Association. A review panel shall be assigned to a case without reference to the identity of the faculty member under review, except that a faculty member who participated at any stage in the proceedings leading to the recommendation under review shall not be a member of the Review Panel.
- 6.03 a) The Review Panel shall make available to the faculty member who has requested the review and to the University, copies of all written evidence tendered to it, provided that

when evidence has been given on the understanding that the name of the person from whom it was received would not be disclosed, the substance of that evidence shall be made known to the faculty member and The University without disclosing its source.

- b) In exercising its function under this section, a Review Panel shall be confined to:
 - i) the documents that were, or should have been, considered by the President in making his/her decision;
 - ii) the written statement of the faculty member requesting the review setting forth the grounds for it;
 - iii) the written response of the President to that statement;
 - iv) any oral statement made by the faculty member requesting the review, should he/she wish to appear before the Review Panel, or made by counsel or other adviser on his/her behalf, and any oral statement made by or on behalf of the President or his/her delegate in response thereto; and
 - v) any additional evidence relevant to questions before the Review Panel.
- c) If the member requesting the review chooses to appear before the Review Panel, he/she may be represented by counsel or other advisor.
- d) If the faculty member requesting the review chooses to appear before the Review Panel, the President or his/her delegate and other appropriate officers of the University (for example, Dean, Head) or their representatives, may also be present.
- e) If oral evidence is received by the Review Panel, either party to the proceeding shall have the right to cross-examine the witness.
- f) The Review Panel may request clarification of the statements made by the faculty member requesting the review and by the President.
- g) In proceedings concerning the termination of an appointment under Article 4.05(b), the burden of proof shall be on the University.
- h) In a review under this section, the existence of a financial exigency or a redundancy shall not be called into question.
- i) The only grounds of review shall be that: the procedures in Article 4 above have been properly complied with; and whether a reasonable person standing in the shoes of the President, having properly considered all relevant evidence, would probably have reached a different conclusion from the President.

6.04 A Review Panel shall conduct the review no earlier than four (4) weeks or later than six (6) weeks after the matter has been referred to it, and shall report its finding to the President and the faculty member requesting the review within two (2) weeks of commencing the

review, provided that these times may be extended or shortened by the agreement of the President and the President of the Faculty Association.

- 6.05 If the Review Panel finds that the procedures required by Article 4 above have not been properly complied with, or that there has been a failure to obtain or consider relevant evidence, and that as a result a wrong decision may have been reached, the Panel shall identify the procedural errors in question or the evidence that should have been obtained or considered, shall direct that the matter be reconsidered in such a manner as it may deem necessary to remedy the defect and shall adjourn the proceeding until this reconsideration has been completed. When the Panel directs that a matter be reconsidered, the two (2) weeks specified in Article 6.04 within which the Panel shall report its finding shall begin to run on the eighth day after the President informs the chair of the Panel of his/her decision on the reconsideration of the matter.
- 6.06 The finding of a Review Panel shall be final and binding on the faculty member requesting the review and on the Parties to this Agreement.
- 6.07 When a termination or non-renewal of an appointment of a faculty member is recommended under Article 3 or 4.05(c) above, the faculty member concerned shall have the right to have the recommendation reviewed by a Review Panel constituted under Article 6.02 above. Insofar as they may be applicable, the provisions of Article 6 shall apply to this review, provided that the only ground of review shall be whether the greater part of the faculty member's teaching responsibilities and academic qualifications has been related to the Division, or to the Diploma or Degree program in question.

Article 7. Notice

- 7.01 A faculty member holding a term appointment with review for one year shall be given at least three and one half (3.5) months' notice of the decision not to renew the appointment.
- 7.02 A faculty member holding a term appointment with review for more than one year or an appointment without term shall be given at least twelve (12) months' notice of the decision to terminate or not to renew the appointment.
- 7.03 In all cases the notice shall be in writing.

Article 8. Compensation

- 8.01 Subject to Article 8.03 below, a faculty member whose appointment with review has been terminated or not renewed shall be paid from the date on which the termination or non-renewal takes effect, a sum equivalent to six months' salary, such sum to be paid in monthly installments equal to the monthly salary paid to him/her immediately before the termination or non-renewal.
- 8.02 Subject to Article 8.03 below, a faculty member whose appointment without term has been terminated, shall be paid from the date on which the termination of appointment takes

effect, a sum calculated on the basis of one month's salary for each year of continuous service in an appointment with review or without term, to a maximum of twenty-four (24) months' salary, such sum to be paid in monthly installments equal to the monthly salary paid to him/her immediately before the termination, provided that the sum that shall be payable to him/her under this section shall not be less than six (6) months' salary.

- 8.03 In the event that the faculty member whose appointment has been terminated obtains academic employment elsewhere comparable to his/her appointment at The University of British Columbia before the payments to be made to him/her under Articles 8.01 and 8.02 have been completed, he shall be paid one half of the remaining entitlement calculated from the date on which the employment takes effect.
- 8.04 a) For the purposes of this section, "years of continuous service" includes (i) periods of paid leave, and (ii) periods of unpaid leave that were granted so that the faculty member concerned could accept a teaching exchange appointment, academic fellowship, research grant, or similar award. Leaves with or without pay do not interrupt continuous service.
- b) For the purpose of calculating years of service, all appointments shall be deemed to have commenced on July 1 of the calendar year in which the appointment began.
- c) Compensation shall be calculated on the following basis:
- i) for years of full-time service, the salary at the time of termination or non-renewal if it is for full-time service, or if it is at that time the salary for part-time service, that salary prorated to a full-time salary;
 - ii) for years of part-time service, the salary as determined under (i) of this paragraph multiplied by the fraction of the appointment.
- d) When a faculty member has held an appointment without term (grant) under Article 8.02 of Part 4: *Conditions of Appointment for Faculty*, compensation shall be determined on the basis of the fraction of the University's contribution to that salary.
- 8.05 During the period when he is being paid compensation under this Article, a faculty member shall continue to receive benefits (including the University's contribution to the Pension Plan), except Group Total Disability Insurance Coverage.

Article 9. Preference for Re-appointment

- 9.01 If, during the course of a financial exigency or within two (2) years from the time that the Board of Governors declares that the financial exigency is ended, a vacancy occurs in a Department:
- a) The position shall be offered to an individual who is suitably qualified for that position and whose appointment was terminated or not renewed last in that Department under

Article 4.05(c) above on the basis of inverse seniority, and who has kept the University informed of his/her current postal address.

- b) If no suitably qualified individual is found following the procedures of paragraph (a) above, the position shall be offered to an individual who is suitably qualified for that position and whose appointment was terminated or not renewed last in any other Department under Article 3 above or Article 4.05(c) above on the basis of inverse seniority and who has notified the University that he wishes to be considered for appointment in the Department concerned.
- c) Only if no suitably qualified individual is found following the procedures of paragraphs (a) and (b) above may the vacancy be generally advertised, subject always to Article 2 above.

9.02 Suitability under Article 9.01 above shall be determined in accordance with the University's normal appointment procedures. The sole criterion shall be whether the qualifications and experience of the individual enable him/her satisfactorily to fill the position.

9.03 If there are two or more equally qualified individuals for a position under this section, the position shall be offered to the individual with greatest seniority in the University.

9.04 If appointments are terminated or not renewed in accordance with Article 3.01 or 4.05(c) and if new positions are established elsewhere in the University to assume part or all of the teaching functions of the administrative unit, Division, or Degree or Diploma program in question, the faculty members whose appointments have been terminated or not renewed shall be accorded preference for reappointment in the Department in which the positions have been established in accordance with paragraph 9.01(a).

9.05 For purposes of calculating years of service under Article 2.03 of Part 4: *Conditions of Appointment for Faculty*, a faculty member whose appointment with review has been terminated under Article 1 or 3 above and who is subsequently reappointed to a term appointment with review, may select one of the following:

- a) the appointment shall be deemed to have commenced on July 1 of the calendar year in which the reappointment takes effect; or
- b) all years of continuous service at the University in an appointment with review prior to the termination or non-renewal of that appointment shall be taken into account.

9.06 Notwithstanding the provisions of Article 8 above, the number of months of compensation to which the faculty member is entitled shall not exceed the number of months from the termination or non-renewal of an appointment to the individual's reappointment. Upon the effective date of reappointment, eligibility for compensation ceases and any compensation already paid out which exceeds the individual's entitlement shall be repaid to the University.

- 9.07 During the course of a financial exigency and for a period of two (2) years from the time that the Board of Governors declares that the financial exigency is ended, an individual whose appointment has been terminated or not renewed under this Agreement shall be entitled to use the University Library on the same basis as faculty members.
- 9.08 Notwithstanding Article 9.01 and 9.07 above, no individual shall have any claims under this section after a period of four (4) years has elapsed from the date of notification of the termination or non-renewal of that individual's appointment.
- 9.09 An individual who rejects a position offered to him/ her, which is comparable to the one he/ she held at the time of termination or non-renewal, shall forfeit all claims under this section. On the other hand, an individual who accepts a position offered to him/ her which is not comparable, shall not lose his/her rights under this section.
- 9.10 The University will make every reasonable effort to redeploy faculty members whose appointments are about to be terminated or not renewed under Article 3 or Article 4.05(c). Redeployment shall be carried out in accordance with any applicable procedures in Article 9.01-04 and 9.06 above.

Article 10. Acquired Rights

- 10.01 Any rights acquired under the Agreement by an individual whose appointment has been terminated or not renewed shall not be affected by the subsequent termination or amendment of this Agreement.

Article 11. Concluding Provisions

- 11.01 The reference to a matter in this Agreement shall not be taken as indicating that such a matter is, or was intended to be, included within the scope of Article 8.01, paragraphs (d) and (e) of Part 1: *Framework for Collective Bargaining* between the University and the Association, dated April 3, 1979, as amended, or as indicating that such a matter is included in, or excluded from, the term "university governance" as used in Article 10.02 thereof.
- 11.02 The provisions of Articles 16, 17, and 18, of Part 4: *Conditions of Appointment for Faculty* between the University and the Association dated May 1, 1980, as amended, shall apply to this Agreement, provided that (i) it is to be submitted for ratification only to faculty members of the bargaining unit of the Faculty Association, and (ii) that the number of copies of this Agreement to be given to the Faculty Association under Article 19 shall be only one hundred (100).
- 11.04 The Agreement may be terminated after five (5) years from the date of its entry into force by either Party by giving six (6) months' written notice to the other Party. This notice may be given during the fifth year of the Agreement to take effect at the end of that year, or thereafter to take effect at a date not less than six (6) months later.

Signed effective this day the 9th day of March 1984.
